About This Handbook

This handbook is an all inclusive guide for enTouch sales agents to refer to if they have questions regarding the various platforms used daily when enrolling new customers or supporting existing customers with their enTouch Wireless service. This handbook is specifically designed for agents distributing in California and Texas. For agents distributing in the NLAD states, please refer to the "***enTouch Agent Handbook (NLAD States)***".

Who We Are

enTouch Wireless is a national, wireless phone company operating on the premier 4G LTE network. We help empower people to lead better lives through digital citizenship. We do this by providing access to Lifeline discounts off your plan. Lifeline provides discounted or FREE phone and broadband internet service to eligible people. People use our services to find jobs, do homework, stay healthy and get access to the government and many other services. enTouch has a license from the Federal Communication Commission to operate as an Eligible Telecommunications Company in the US.

In order to qualify for the program, subscribers must meet certain eligibility requirements and can apply online for a free government cell phone.

What is Lifeline?

Lifeline is a free or subsidized phone service provided by certain telecom companies, like enTouch Wireless, to assist low income and other disadvantaged consumers. While the service is subsidized by the government, the cell phones are provided by enTouch Wireless. The Lifeline Assistance program is supported by the Universal Service Fund. Lifeline Assistance is only available on one phone line per household. enTouch Wireless is available in limited geographic areas and is subject to the enTouch Wireless Terms of Service.

Becoming an enTouch Wireless Agent

Agents are responsible for gathering information and documentation from Lifeline applicants, explaining the enTouch Wireless features and benefits, and distributing free cell phones to qualified individuals.

- Unlimited Earning Potential!

- Begin Enrolling Customers

Agent Code of Conduct

The Lifeline Program is a federally funded and managed program. Executing this program in accordance with mandated guidelines, applicable laws, and applicable policies is essential. PayGO Distributors upholds the highest standards of integrity in representing and distributing for Boomerang Wireless, LLC d/b/a enTouch Wireless ("Company"), our programs, and our industry. The Company may, from time to time, amend or change this Code of Conduct in its sole discretion. To the extent that this Code of Conduct conflicts with applicable laws, the contrary laws and regulations shall govern. Failure to comply with any of the rules outlined below may result in termination of a contracted sales agent, manager, and/or master agent status with the Company. Consistent with applicable laws and regulations:

- The customer **MUST BE PHYSICALLY PRESENT** with the contracted sales representative while the application is being completed and submitted. Verifying program eligibility and taking orders over the phone, social media, online, etc. is strictly prohibited.
- The contracted sales representative may assist the customer during the application process, but the customer must be the one to physically attest to or initial any required disclosures and/or sign the application prior to submission. The contracted sales representative may **NOT** sign on the customer's behalf.
- A contracted sales representative must never misrepresent, falsify or manipulate customer documentation, address or the eligibility proof of an applicant to defeat program integrity controls to receive Lifeline supported services.

- Contracted sales representatives must **NEVER** submit an application using a false address. The address used in the order must be the current **residential** address of the customer.

- If a customer lives in a multi-dwelling unit (apartment complex, motel, assisted living facility, etc.), the contracted sales representative must provide the apartment or unit number in the Address 2 field.
- Only one Lifeline benefit is permitted per household. Using the same address for multiple subscribers is strictly prohibited.

Contracted Sales Representatives retain discretion as to the performance of their specific duties. In exercising these duties, contracted Sales Representatives must:

- Always be discreet when handling a customer's personal information. Never take photos of or retain on your device or in any way any customer information for any reason after an order has been attempted or submitted. Doing so is unlawful, and you may be held personally liable for such conduct. This includes, but is not limited to photo ID, proof of date of birth, social security number, eligibility documentation, address documentation, or any other information provided by the customer for use in their application process.
- Company-distributed phones, tablets, SIMs, and/or accessories may not be used, traded or sold to non-Lifeline subscribers. Distribution of Company devices outside the Lifeline program is prohibited.
- Contracted sales representatives must **NEVER** share logins or system access with another agent, manager, or master agent. Using someone else's credentials or allowing someone else to use your credentials violates FCC rules.
- Contracted sales representatives may not use marketing materials other than those approved by the Company, and, where applicable, the government.
- Consistent with applicable laws and regulations requiring fraud detection and mitigation and requiring just and reasonable practices that do not confuse, mislead or deceive consumers, a contracted sales representative may represent only one Lifeline service provider per event location. Multiple locations in close proximity are not permitted for the purpose of representing other ETC service providers at the same time as a contracted sales representative is representing the company.
- Aggressive and/or misleading sales tactics or misrepresentations of the Lifeline program rules are not permitted. Contracted Sales Representatives shall determine the best approaches for sale tactics. Contracted sales agents must be knowledgeable about the enrollment process, eligibility requirements, Company products, mobile devices and services.
- Contracted sales representatives must:
    - Interact professionally with applicants, customers, and the general public; and
    - Obey all laws, ordinances, and permit/permission grants with respect to event locations; and
- Drug and alcohol use is expressly prohibited at Lifeline enrollment events, which includes the public use of marijuana, tobacco and E-cigarettes.

- Contracted sales agents, managers, master agents and/or retail operators must adhere to all applicable Payment Card Industry Data Security Standard (PCI DSS) requirements.

Contracted sales representatives, managers, master agents, and/or retail operators must report issues of non-compliance, apparent or attempted fraud, and other misconduct by email to regulatory@entouchwireless.com.

Onboarding

A new agent application will need to be completed by the Master Agent / Manager in the Agent Dashboard. Once this is completed and the application is approved, credentials will be automatically created for the new agent.

RAD ID

The Representative Accountability Database (RAD) is a Federal registration system mandated by the FCC that validates the identities of service provider representatives performing transactions in the National Lifeline Accountability Database (NLAD) and the National Verifier through the CGM system. All agents are required to register for a RAD ID and will need to include this in their onboarding application.
Your Representative ID is a unique number that connects your identity to the transactions you complete in NLAD and the National Verifier. Do not share your RAD ID number with anyone besides the carrier for which you work.

RAD registration is a two-step process:

1. Representatives self-register for a Representative ID, which will be needed to perform transactions in NLAD and the National Verifier.
    a. Register Here: https://lifelinerad.org/rad/#/verifyRepresentative
2. Representatives provide their RAD ID number to the service provider for which they work. The service providers will use the RAD ID to link the representative in NLAD in order to begin completing new enrollments in CGM.
3. Representatives must complete an annual agreement every year from when they initially registered. Representatives who do not complete the annual agreement by their anniversary date will be unable to access USAC Lifeline systems and will be unable to complete transactions in CGM/Fusion until they do so.

Receiving System Logins

Once you have been successfully linked with your RAD ID, logins will be created and emailed to you from *systems.requests@viaoneservices.com* and your master agent/manager will be notified. You should receive the following credentials:

- AMS
- CGM - Order entry system
- Fusion - Retail platform
- Agent Dashboard - information management website

Agent Management System

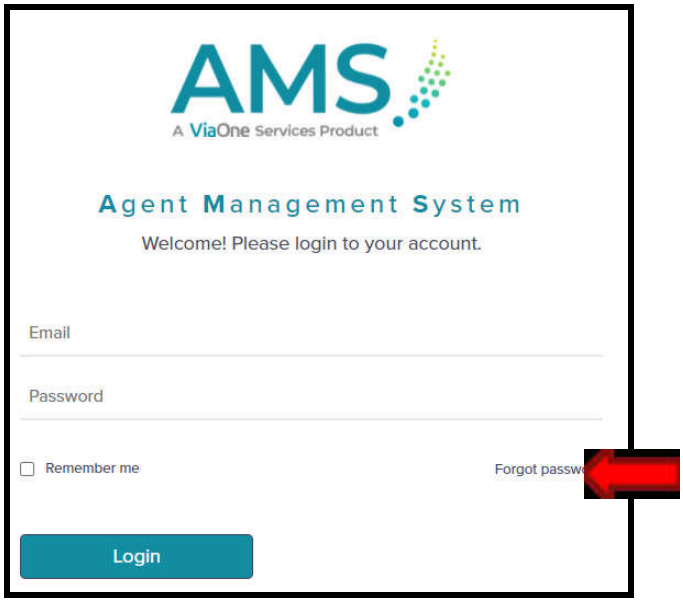

The agent management system (AMS) is a system used to track agent orders, commissions as well as banking and pay information.

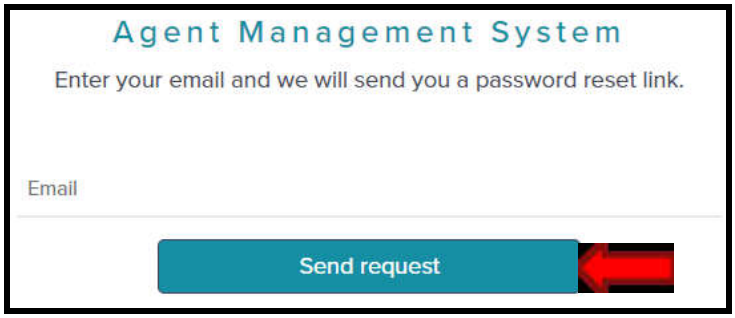

Logging into the Agent Management System

URL: https://entouch.myagentdashboard.com/login

1. When signing in for the first time, you will need to set up your password by using the “Forgot Password” link

2. Enter the email provided during onboarding and click [Send Request]

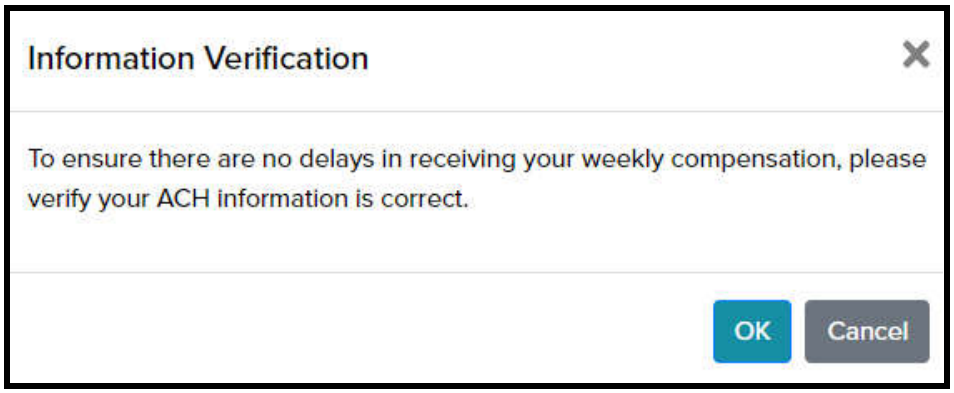

3. Follow the instructions received in the email to set a new password and log in

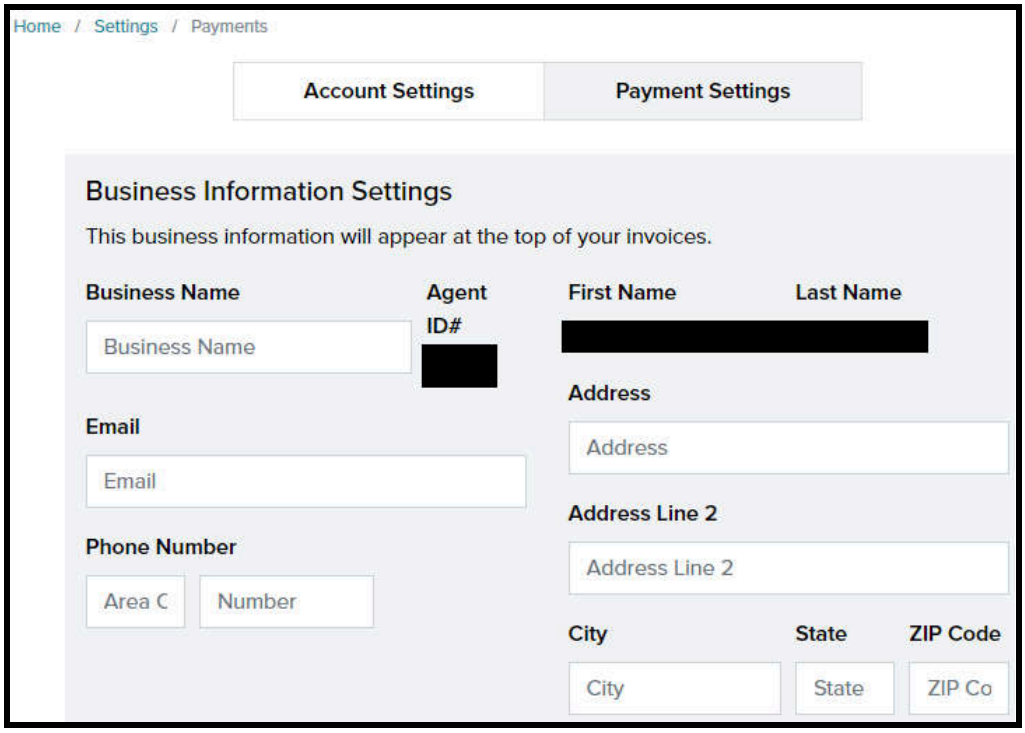

AMS Banking and Personal Info

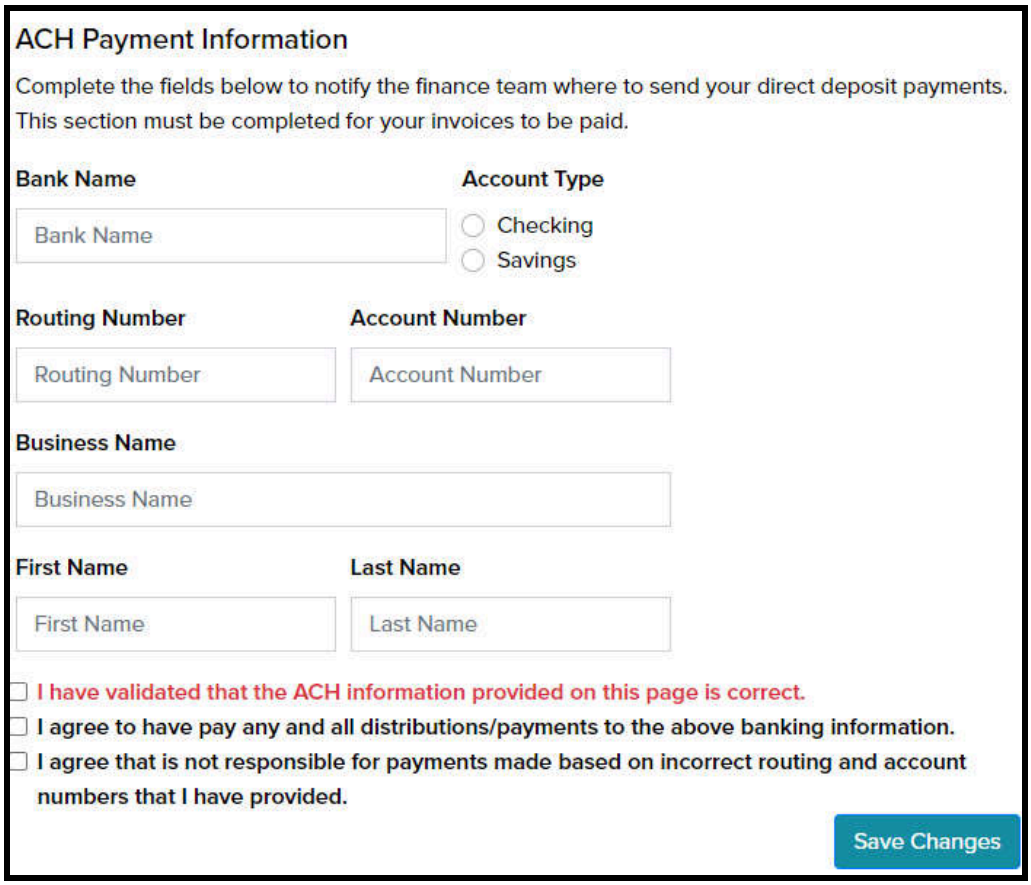

This step Is VERY Important in order to get paid.

1. Upon your first login, you will be required to enter and verify your banking information.

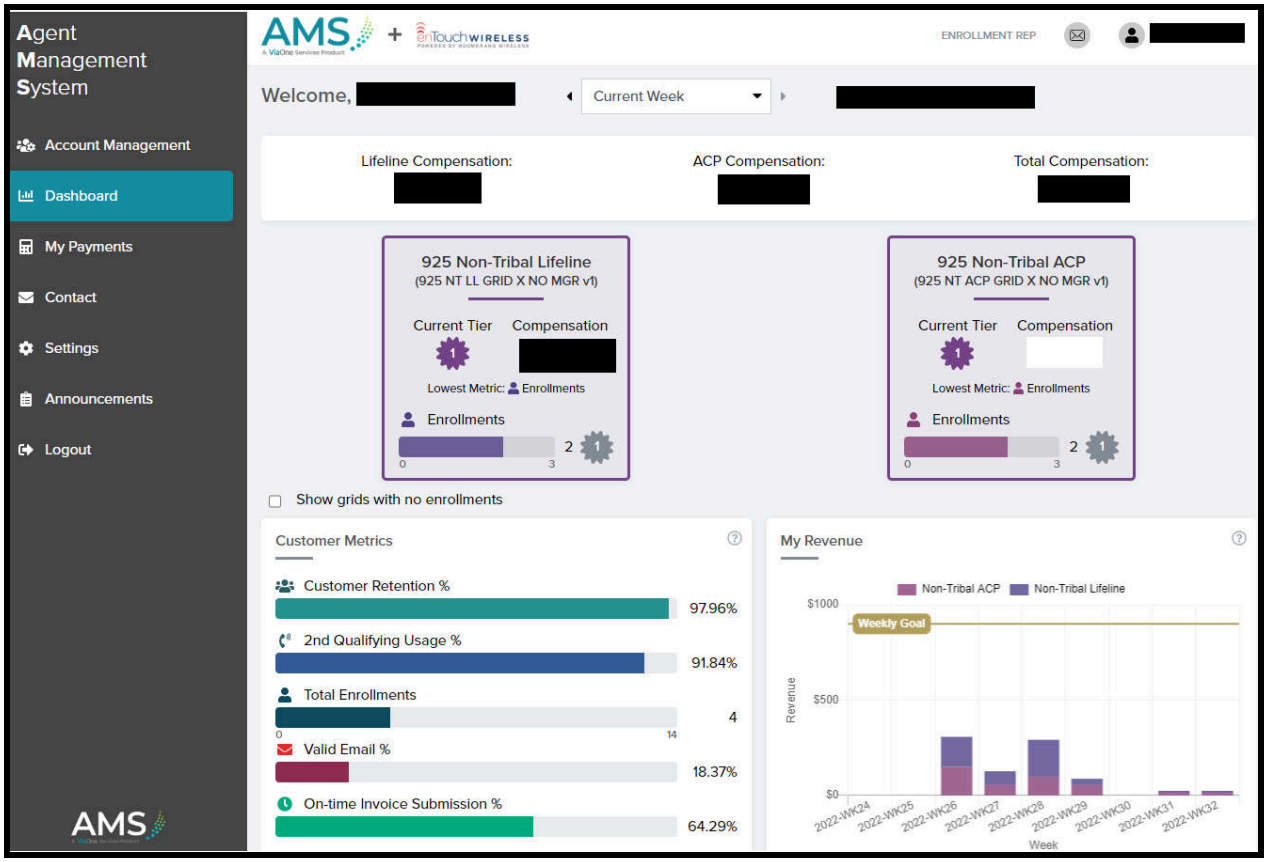

2. Enter your Address, ACH Payment Information, check the 3 boxes and click [Save Changes]

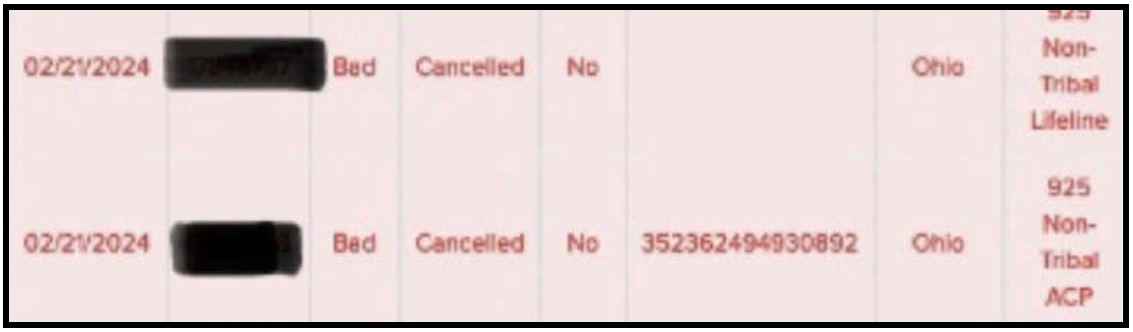

AMS Dashboard Main Page

This page is a summary of your compensation, customer metrics, your revenue, etc.

Enrollments

BAD = Enrollment with no first call or the customer cancelled service before the compensation period ended. This enrollment will show "**RED**" in the AMS

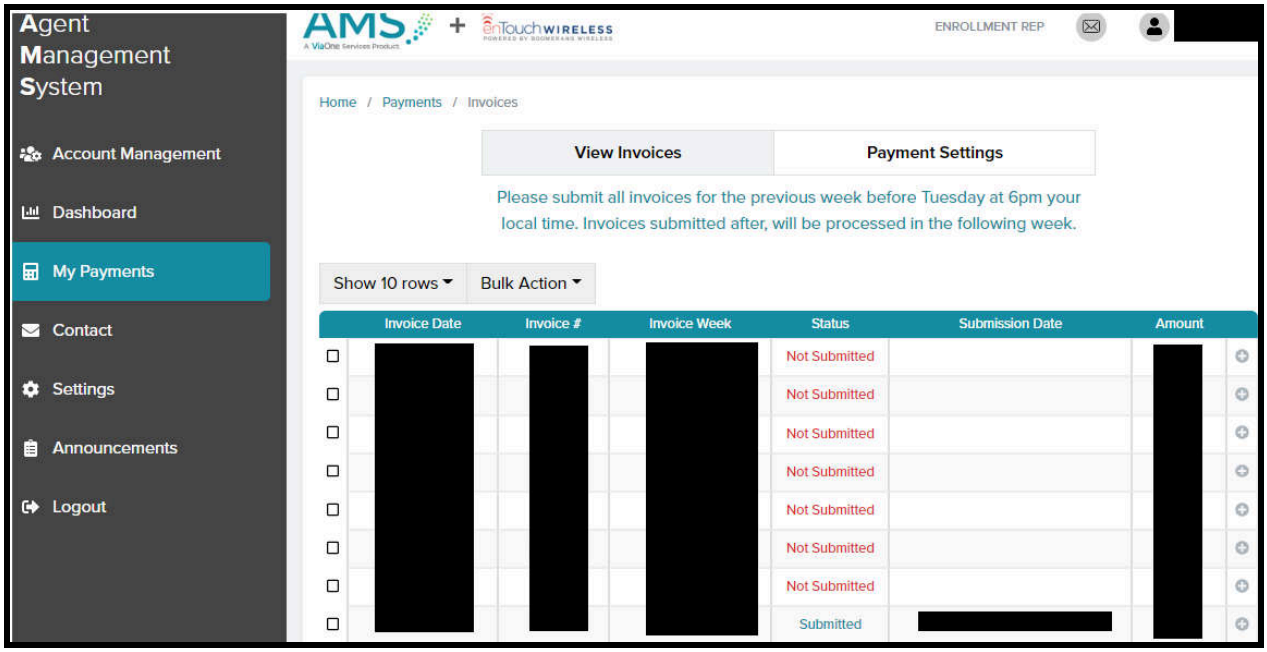

NON-CLAIMABLE = "GOOD" Enrollments from the previous weeks that disconnected service before the end of the month and is deducted from the agents enrollment for the week. This enrollment will show "**ORANGE**" in the AMS".

My Payments

From the [My Payments] tab you can see your invoices as well as submit new invoices.

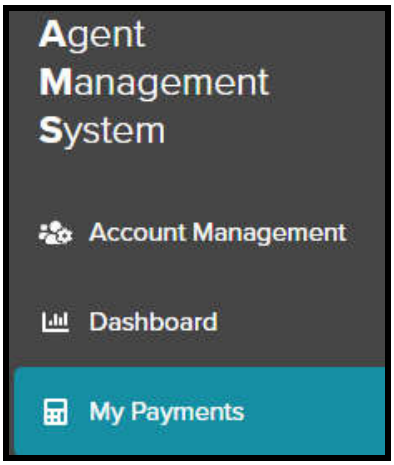

Submitting Invoices

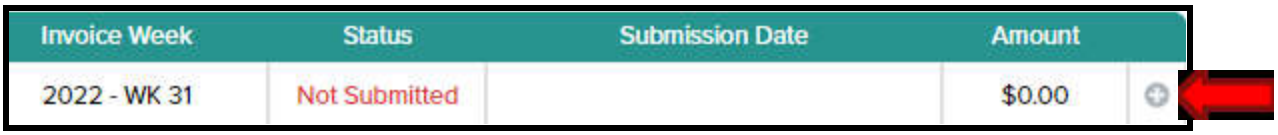

You ***MUST*** submit your invoice every week between Monday (starting at 9am) and Tuesday (before 9 p.m.) central standard time. If your invoice is submitted late, your payment will not be issued on Thursday and it will be delayed until the following Monday.

To submit an invoice

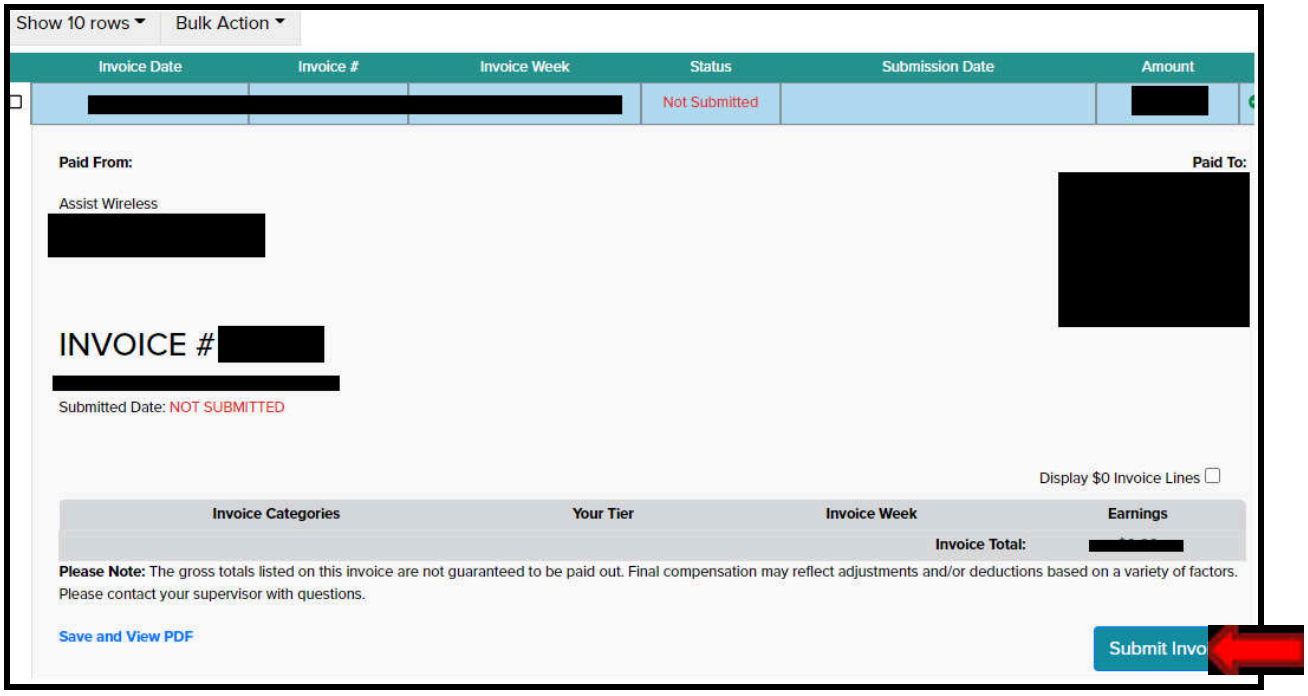

1. Log in to the AMS and click the [My Payments] tab

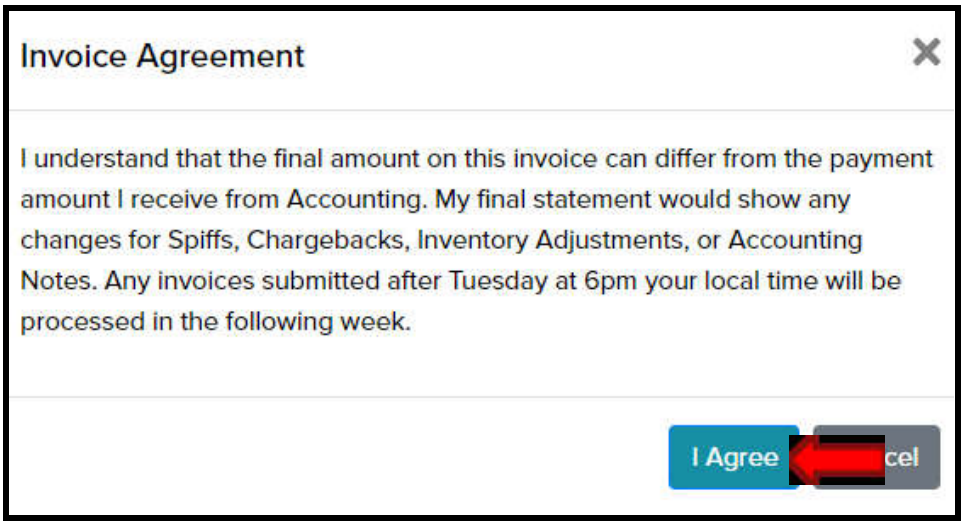

2. Select the [+] sign next to the invoice ID that is not submitted

3. Click [Submit Invoice]

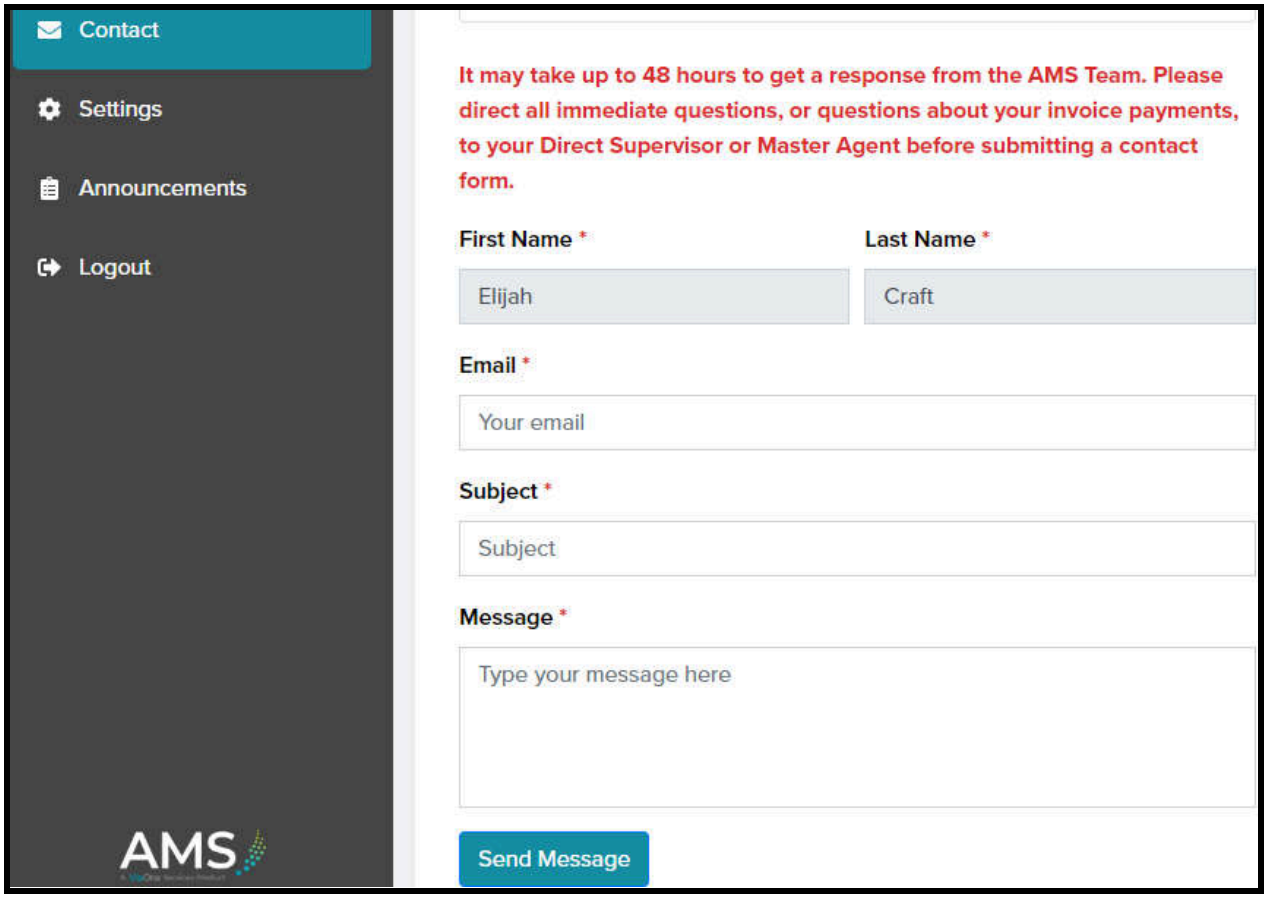

4. Click I Agree

Contact

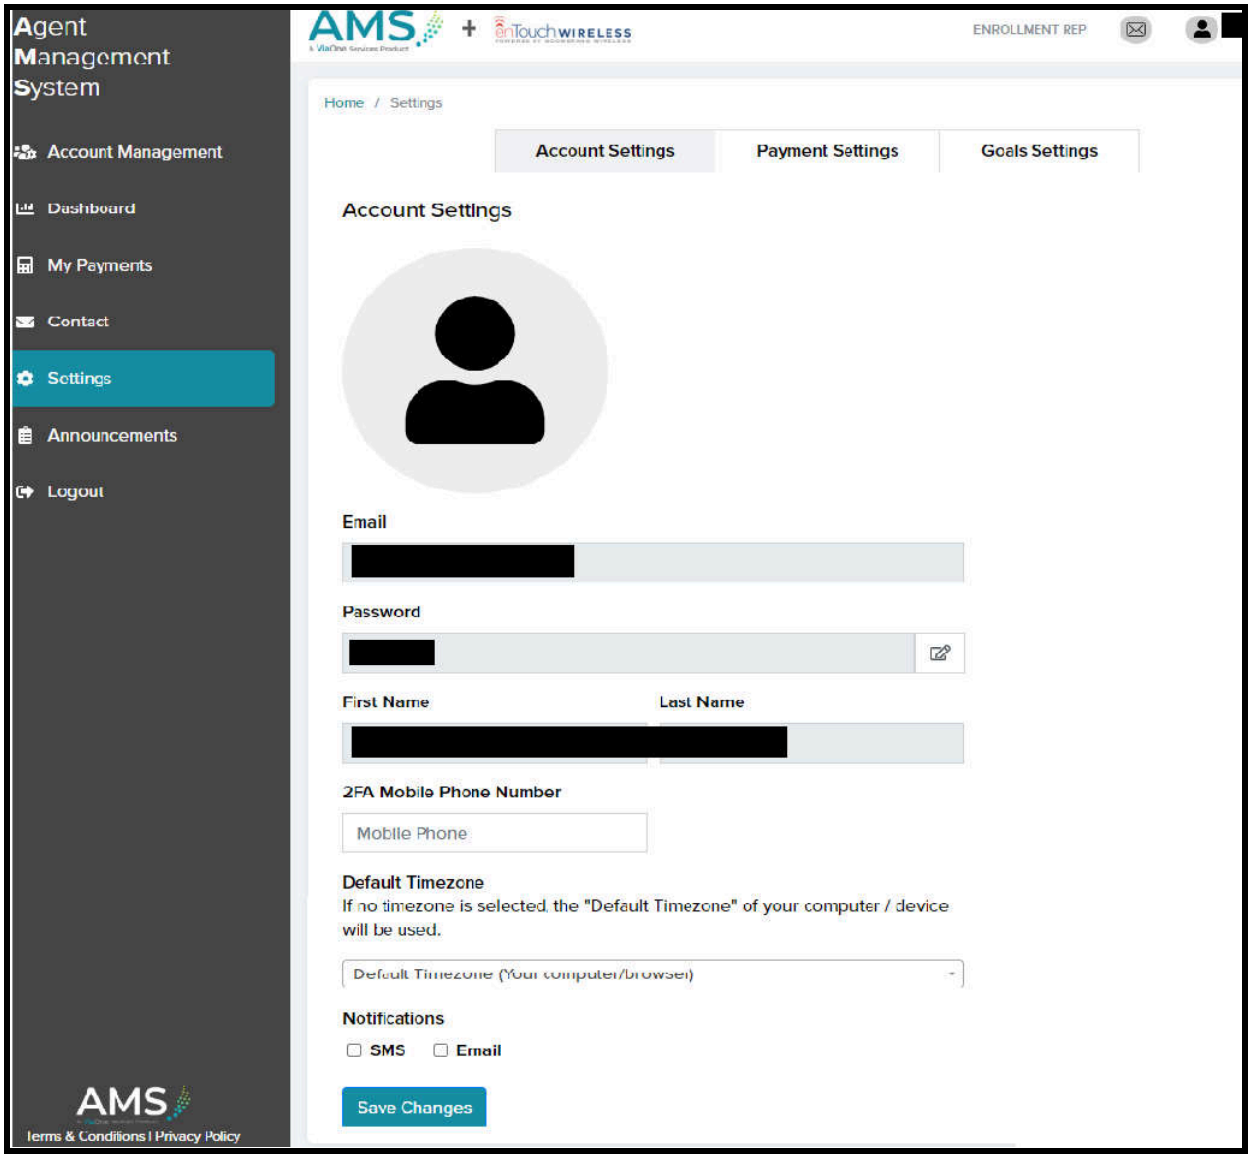

Here you will be able to see the Department Contact information. You can also use this form to leave feedback for our team about any issues you may have with the AMS.

Company Department Information

Agent Relations

Agent Relations is responsible for the back office support to all enTouch Wireless agents in the field. They are the first point of contact when agents have questions, requests, or concerns that cannot be resolved in the field. Agents will submit their inquiries by calling into the Agent Relations 800 number, by email or chat support. Below is a list of some of the requests processed by the Agent Relations Team.

- Fusion account maintenance
  - These include, but are not limited to, account maintenance, troubleshooting account and service issues, account and billing research.
- Inventory swaps
  - Swaps are changes to the device (ESN or IMEI) or SIM on a customer's account.
- Clearing reservations in CGM
  - If a new enrollment fails in CGM for any reason such as a CGM system error, duplicate customer or address, etc, the customer's information will need to be cleared from the Fusion and CGM systems BEFORE rerunning the customer through CGM again to avoid any "Duplicate Customer" errors.
- Reassigning inventory
  - Inventory needs to be assigned to each individual agent in order for it to be used when completing a CGM enrollment. The Agent Relations team can assist in assigning inventory from one agent to another. The maximum amount of device transfers the Agent Relations team can process is 5, anything more than that would need to be emailed to inventory@viaoneservices.com.

Requirements to Receive Service with enTouch Wireless

- Customers must be on a government assistance program and must show proof
- Customers must currently participate in a public assistance program (like SNAP or Medicaid) or your income must be at or below 135% of the Federal Poverty Guidelines.
- Customers must show proof of identification. We only accept state or government issued IDs
- Customer must be 18 years or older
- There is only one Lifeline per household permitted
- Customer must be present when signing up. Agents are not authorized to complete orders over the phone or in any location where the customer on the account is not physically present.

Regulations

- **Limit (1) Lifeline benefit per household.**
    - Only one person per Household at the applicant's residential address may participate in the Lifeline program with either a wireless or landline phone.
        - A household is a group of people who live together and share money (even if they are not related to each other).
- **Non-Transferable Service.**
    - Applicants cannot assign the phone service to another person, even if they are eligible for the program.

- **Must have a valid physical address.**
  - Applicant must have a valid physical address (NO PO boxes)
  - Notify enTouch Wireless within 30 days of any change of address by calling 866.488.8719.
- **Accurate and Complete Consumer Email Addresses Required on Lifeline**
  - To ensure accurate email addresses are provided, the following practices are prohibited:
    - The use of placeholder or invalid emails (e.g., the insertion of "none@noemail.com" on an application).
    - The creation of multiple email addresses for the purpose of repeatedly using them on different consumer Lifeline applications.
- **Cannot choose Free Phone Model or Phone Number.**
  - Applicants are not able to choose the free handset, or choose the phone number. They can PORT their current number to enTouch.
- **Annual recertification to remain eligible for the Lifeline benefits.**
  - Once an applicant receives the Lifeline benefit, the applicant must complete the annual recertification process.
- **Must be truthful in the application process.**
  - WARNING. If an applicant willfully makes false statements to gain benefits, applicant can be punished by fine or imprisonment or applicant can be barred from the Lifeline program. Potential applicants can be subject to penalties for providing false information.
- **Per Lifeline guidelines, customers must have a qualifying usage event every 30 days to maintain service or risk losing service.**
- **enTouch Terms & Conditions apply**
  - By using enTouch Services, subscriber agrees to enTouch Wireless Terms of Service (www.entouchwireless.com)
  - Agents can not process their own application, if they qualify for the program. Please see the supervisor for assistance.
  - Sharing your system login credentials, or using someone else's system login credentials to process any type of transaction is strictly prohibited.

Multifamily Economical Household

- Only ***ONE*** Lifeline discount is allowed per household. Members of a household are not permitted to receive Lifeline service from multiple telephone companies.
- A household is everyone who lives together at your address as one economic unit.
- The adults you live with are part of your economic unit if they contribute to and share in the income and expenses of the household. An adult is any person 18 years of age or older, or an emancipated minor (a person under age 18 who is

legally considered to be an adult). Household expenses include food, health care expenses (such as medical bills) and the cost of renting or paying a mortgage on your place of residence (a house or apartment, for example) and utilities (including water, heat and electricity). Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings

- Spouses and domestic partners are considered to be part of the same household. Children under the age of 18 living with their parents or guardians are considered to be part of the same household.
- The CGM system will automatically generate a household worksheet where it will be all electronic.
- If a customer is signing up using a shelter address or extended hotel stay address, call the property and speak to the manager to verify that the customer can use that as their physical address and they receive mail there. You will then need proof of the address (ex: letter stating the customer lives there with their room or bunk number).

Recertification

NOTE: Recertifications are currently on hold. Communication will be provided once the process begins.

Recertification is an annual requirement for Lifeline subscribers and is separate from reverification. This process is conducted to ensure that active Lifeline subscribers are still eligible for the Lifeline benefit.

- Subscribers will only be due for recertification after they have successfully completed reverification or if they enrolled through the National Verifier.

Recertification will be handled exclusively through USAC moving forward. The date an existing customer passes USAC's Reverification process at hard launch becomes the customer's new anniversary date. Assist Wireless sends out communication via mail and text messages to customers to alert them of their recertification deadline.

CALFRESH NOTICE OF APPROVAL

YOUR APPLICATION FOR CALFRESH BENEFITS HAS BEEN APPROVED.

Your initial amount of benefits is $536.00 for 01/2025. Your benefit amount per month for the rest of your certification period will be $536.00 from 02/01/2025 through 12/31/2025.

For CALFRESH, your family size is 2. Your IRT is $2,137.00.

IF YOU ALSO APPLIED FOR CASH AID, and it has not yet been approved, your CalFresh benefits may be lowered or stopped without another notice if your cash aid is approved.

The amounts used to figure your CalFresh are shown on this notice. If your case contains a disqualified person(s) and that/those person(s) has/have income, all of their income is used to compute your CalFresh allotment.

Your CalFresh household may be eligible to a State Utility Assistance Subsidy (SUAS) payment. If eligible, the county will award you a $20.01 SUAS cash payment. This is a one-time per year payment and if eligible it will be put into your cash Electronic Benefit Transfer (EBT) account. If you do not have a cash EBT account, one will be set up for you on your CalFresh EBT card. You will not have to do anything to get a new card, but you can use it to cover expenses.

Questions? Ask your worker.

State Hearing: If you think this action is wrong, you can ask for a hearing. The back page tells you how. Your benefits may not be changed if you ask for a hearing before this action takes place. You have only 90 days after county sends you this notice.

Before Beginning the Application Process...

Having the correct documents is key for the consumer to have a successful application.

YOU CAN HELP CONSUMERS REVIEW ALL OF THE APPLICANT'S DOCUMENTS PRIOR TO STARTING AN APPLICATION.

If documents are not adequate (expired, damaged, etc.):

- Explain what the consumer needs to do to complete the application.
    - If documents are expired or damaged, customers will need to visit their nearest government office that issues the corresponding documents.
- Return all documents to them immediately.

Systems

The following systems will be used to process new orders, review and update customer account information and review inventory details.

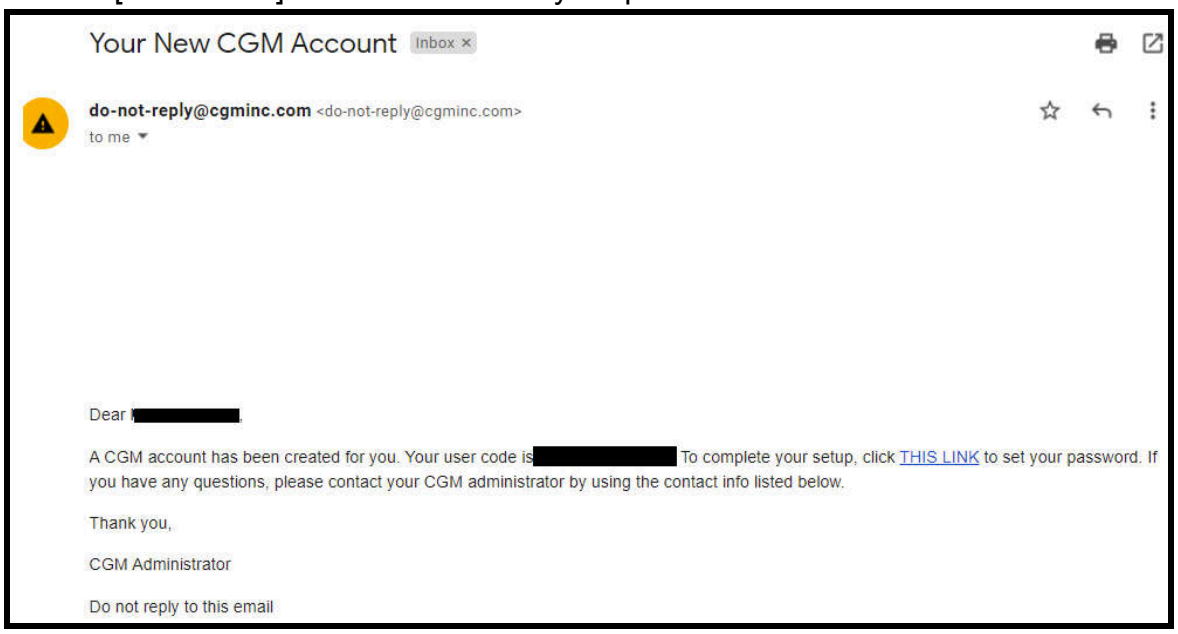

CGM

All new orders are processed through CGM. Once your CGM username has been created, you will receive an email with your username and a link to create a password. Upon your first login, CGM will conduct a one time Agent Verification (AVS) through their Enrollment Compliance Platform.

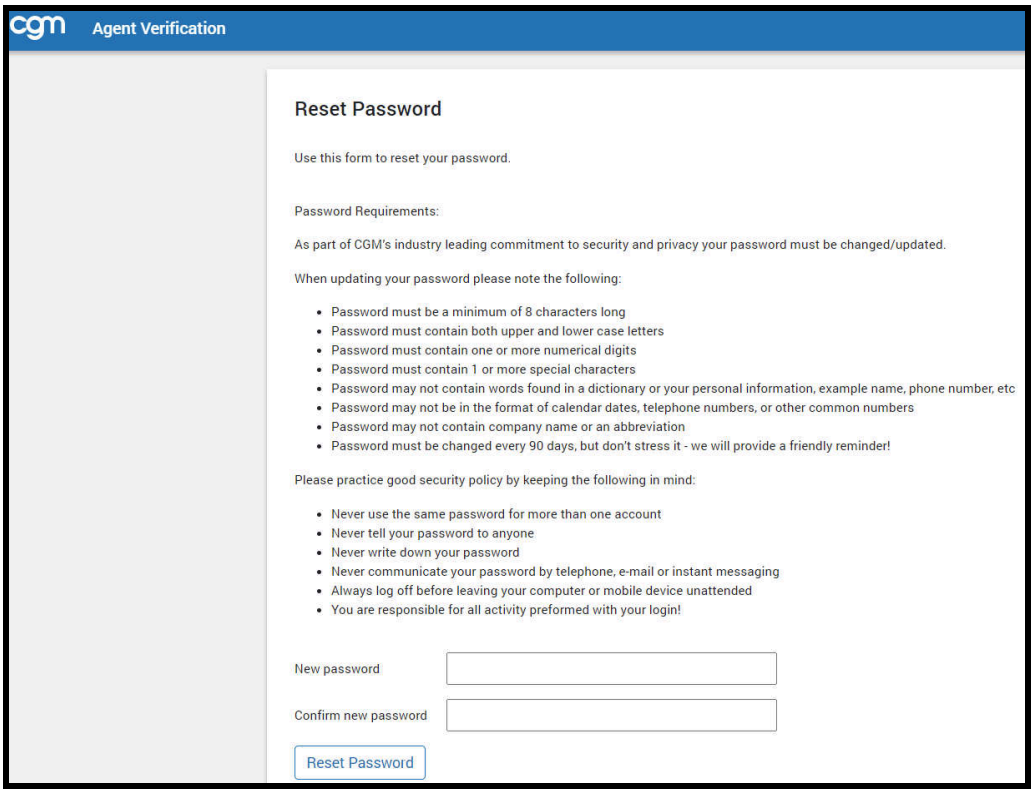

AVS Process

AVS is a one time agent verification process conducted by CGM through their Enrollment Compliance Platform. When your new account is created, you will receive an email to verify your identity. This must be done before you are able to start processing any new enrollments. To complete the AVS process, follow the steps below:

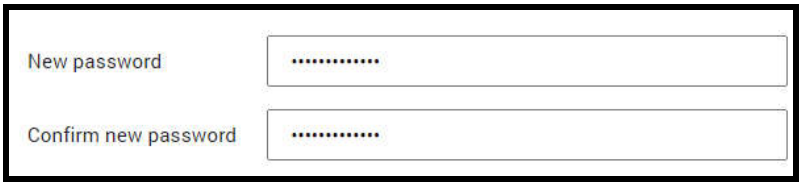

1. Click [THIS LINK] in the email to set your password

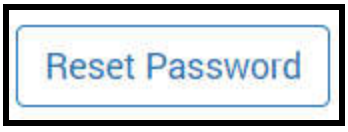

2. You will be redirected to the CGM Agent Verification page

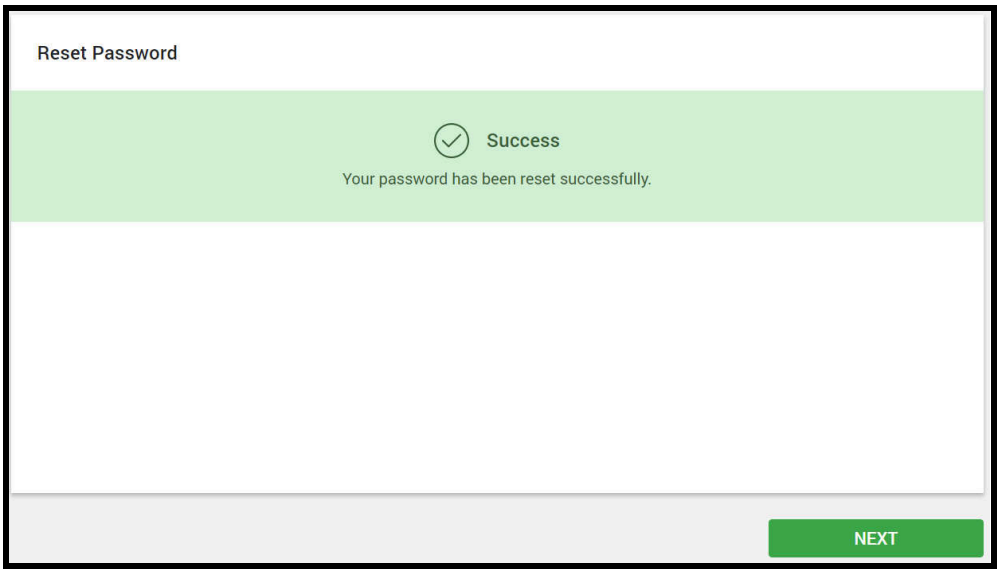

3. Enter your desired password that meets all the requirements

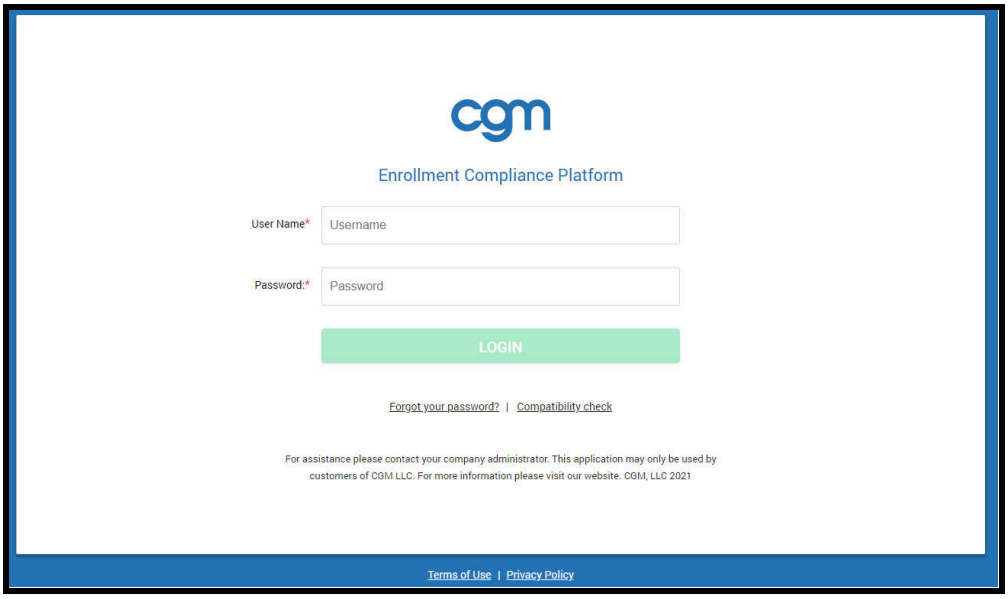

4. Click [Reset Password]

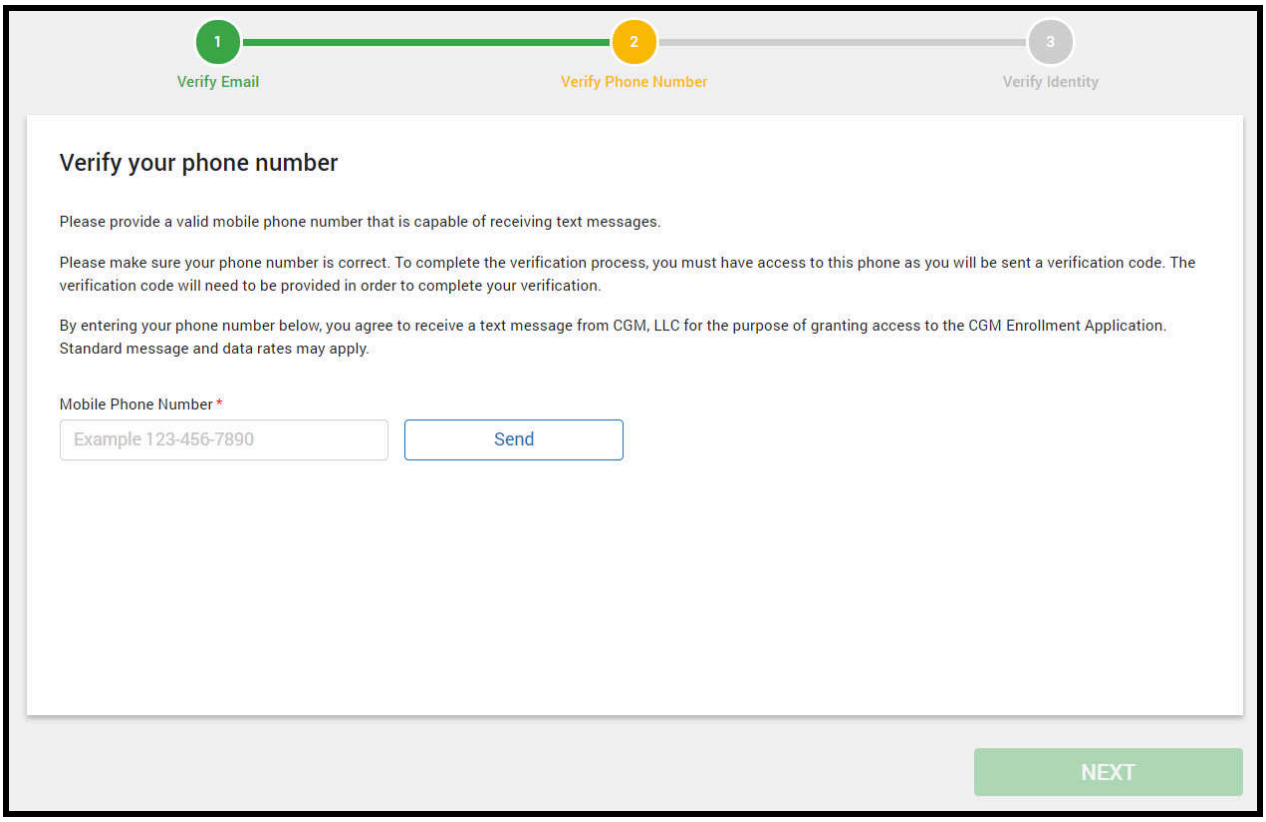

5. A successful message should appear if the password includes all of the requirements, click [Next]

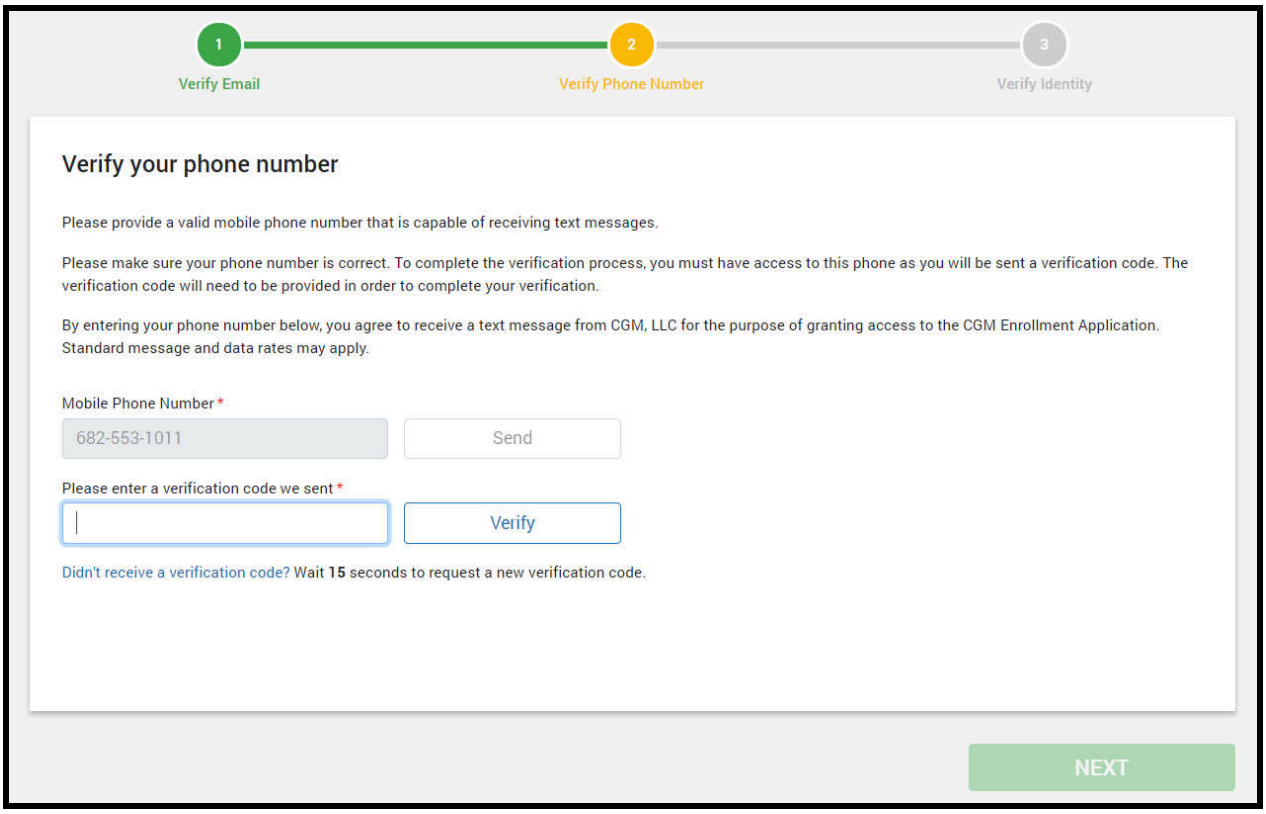

6. You will be redirected to the CGM Enrollment Compliance Platform, enter your credentials and click [LOGIN]

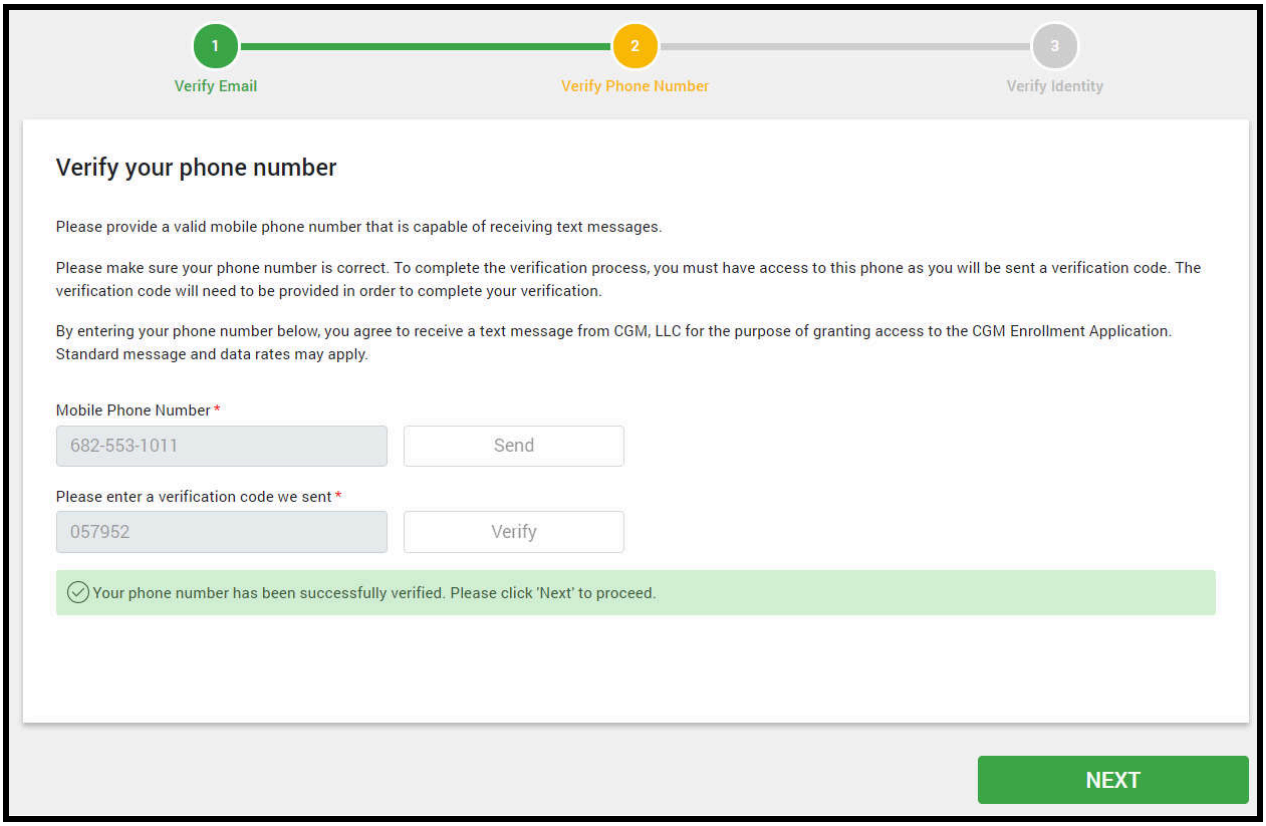

7. You will be asked to provide a valid mobile phone number that is capable of receiving text messages. Enter your phone number and click [Send].
    a. ***NOTE:*** To complete the verification process, you must have access to this phone as you will be sent a verification code. The verification code will need to be provided in order to complete the verification.

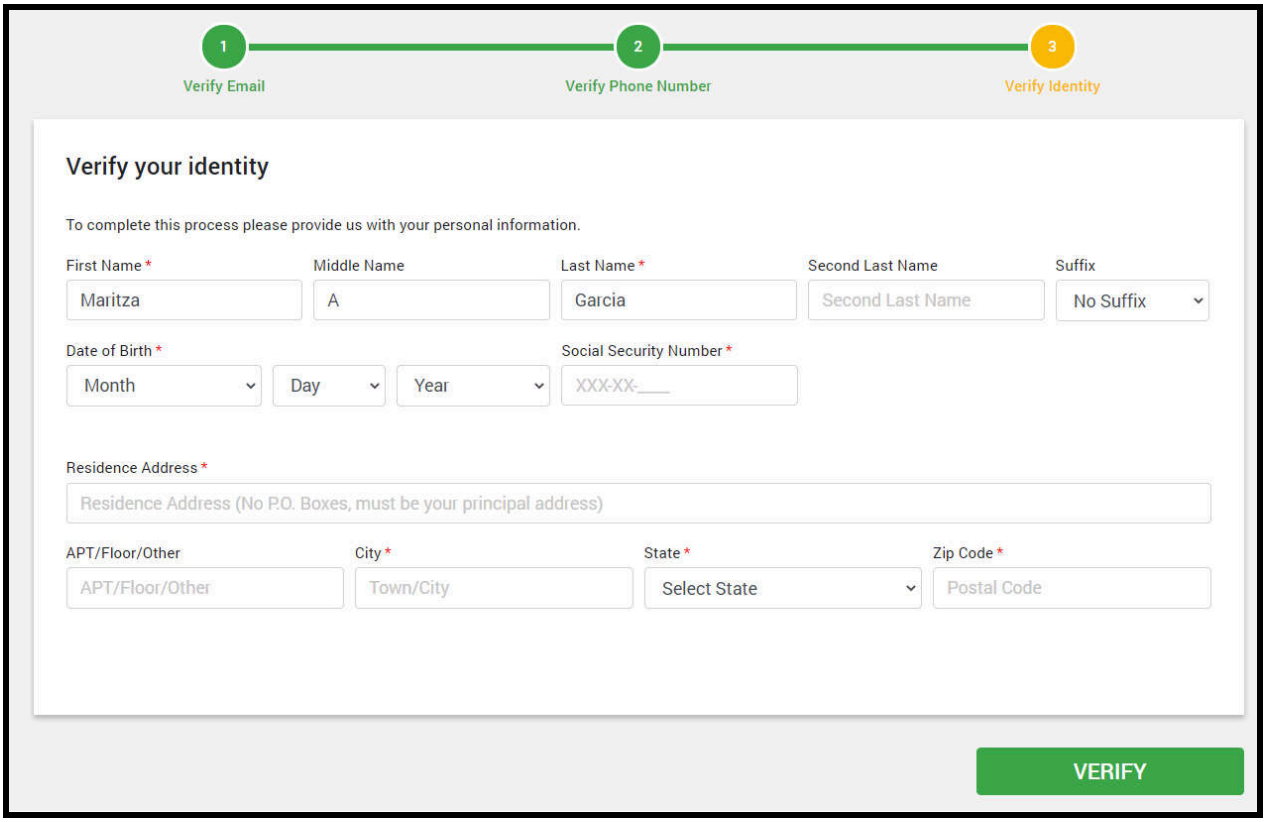

8. Once you receive the verification code via text message, enter it in the appropriate field and click [Verify]

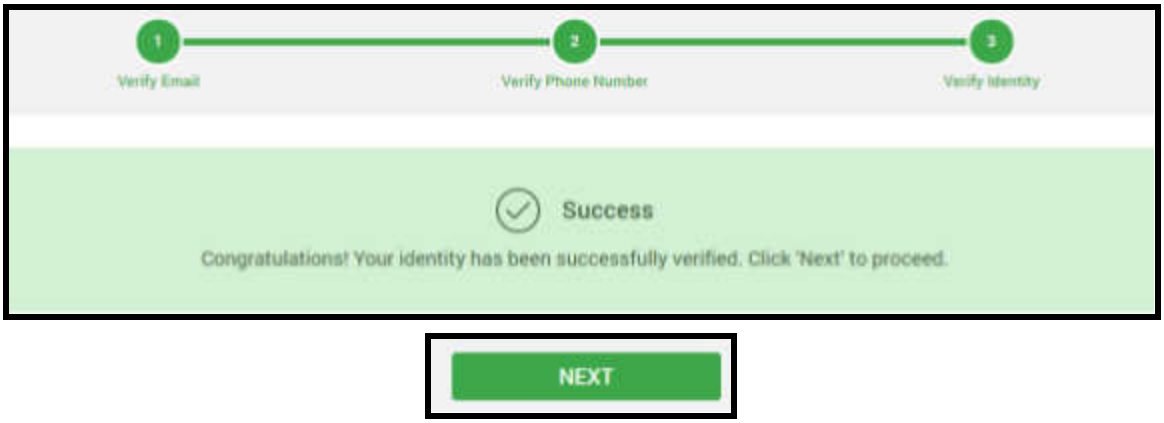

9. If your phone number is successfully verified, you will receive a successful message. Click [Next]

10. The last step is to verify your identity. You will need to provide the following personal information to complete this process. Once information is entered Click [Verify]
    a. First Name
    b. Last Name
    c. Date of Birth
    d. Social Security Number
    e. Residence Address
    f. City, State & Zip

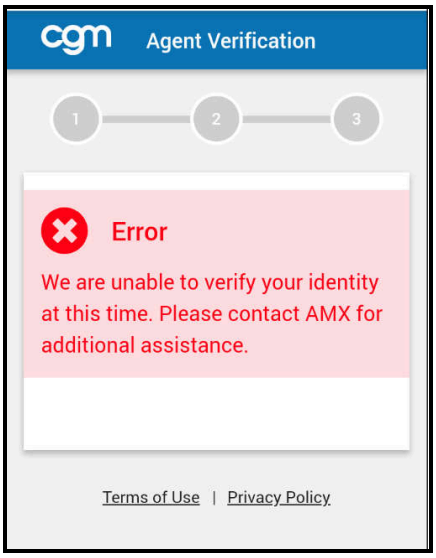

11. If your information is successfully verified, you should receive the confirmation message below. You can click [Next] to begin your first customer enrollment.

AVS Overrides

In the event the agent's identity ***cannot*** be confirmed in the Lexus Nexus Database, the agent can submit an override request. The override request will need to include

proof of ID, last 4 of SSN, and address. The agent information contained in the CGM application must match the proofs provided by the agent EXACTLY in order for CGM to accept the override request.

Submitting Override Requests

1. You can attempt to verify your identity a total of ***THREE*** times. If your identity cannot be verified, Repeat the verification process listed above two more times. If your identity is successfully verified during the second or third attempt, the agent verification process is complete and you may begin completing customer enrollments.
    a. If your identity is not verified, continue to step 2.
2. Call the Compliance team (have your ID/proof of address and SS card available).
    a. If the information entered in CGM ***DOES NOT*** match your ID/proof of address and SS card, the Compliance team will open a ticket with CGM and request that they reset your verification attempts (***This may take up to 2 business days to complete***).
        i. Once CGM has reset your verification attempts, Complete the agent verification process above and ENSURE that you enter your information accurately so your identity may be successfully verified.
    b. If the information entered in CGM matches your ID/proof of address and SS card, continue to step 3.
3. Log in to the agent dashboard and click the Agent Verification Override Request Tool to complete the AVS Override Form

4. You must submit proof of identification, address and SS number. Compliance and RTR will submit the proof to CGM for a manual AVS override. (***This process may take up to 48 business hours to complete***).
    a. Note: This process should be completed ***PERSONALLY*** by the agent needing to verify their identity and NOT by the master agent/manager as it includes personal information and your signature is required.

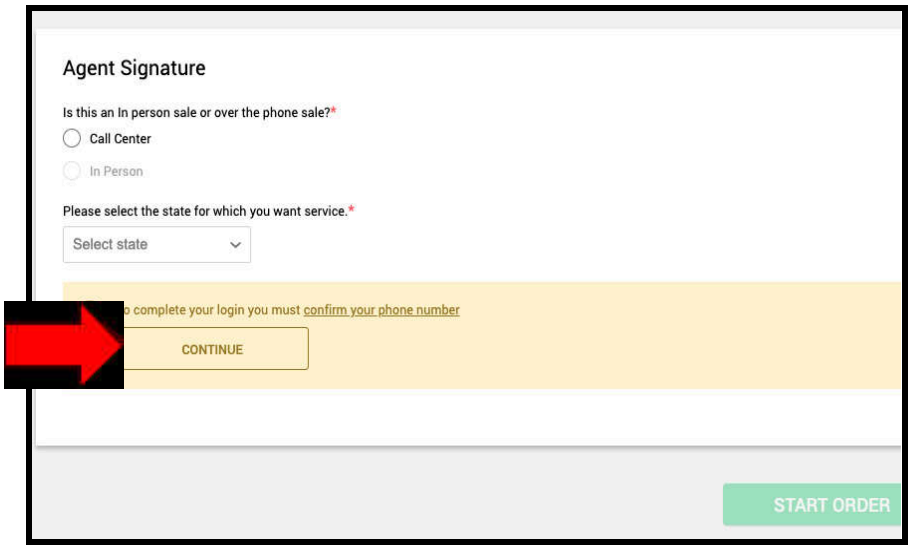

Processing New Enrollments

Once you have completed the AVS process, you can begin submitting orders in CGM.

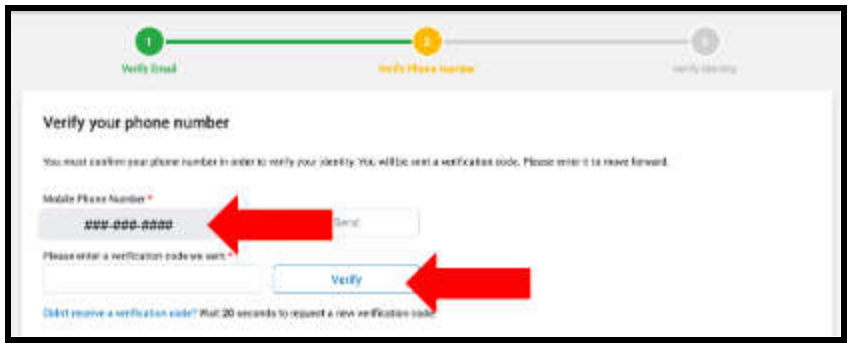

Lifeline Enrollments

1. Go to https://app.cgmllc.net/, enter your Username and Password and click [LOGIN]
2. 

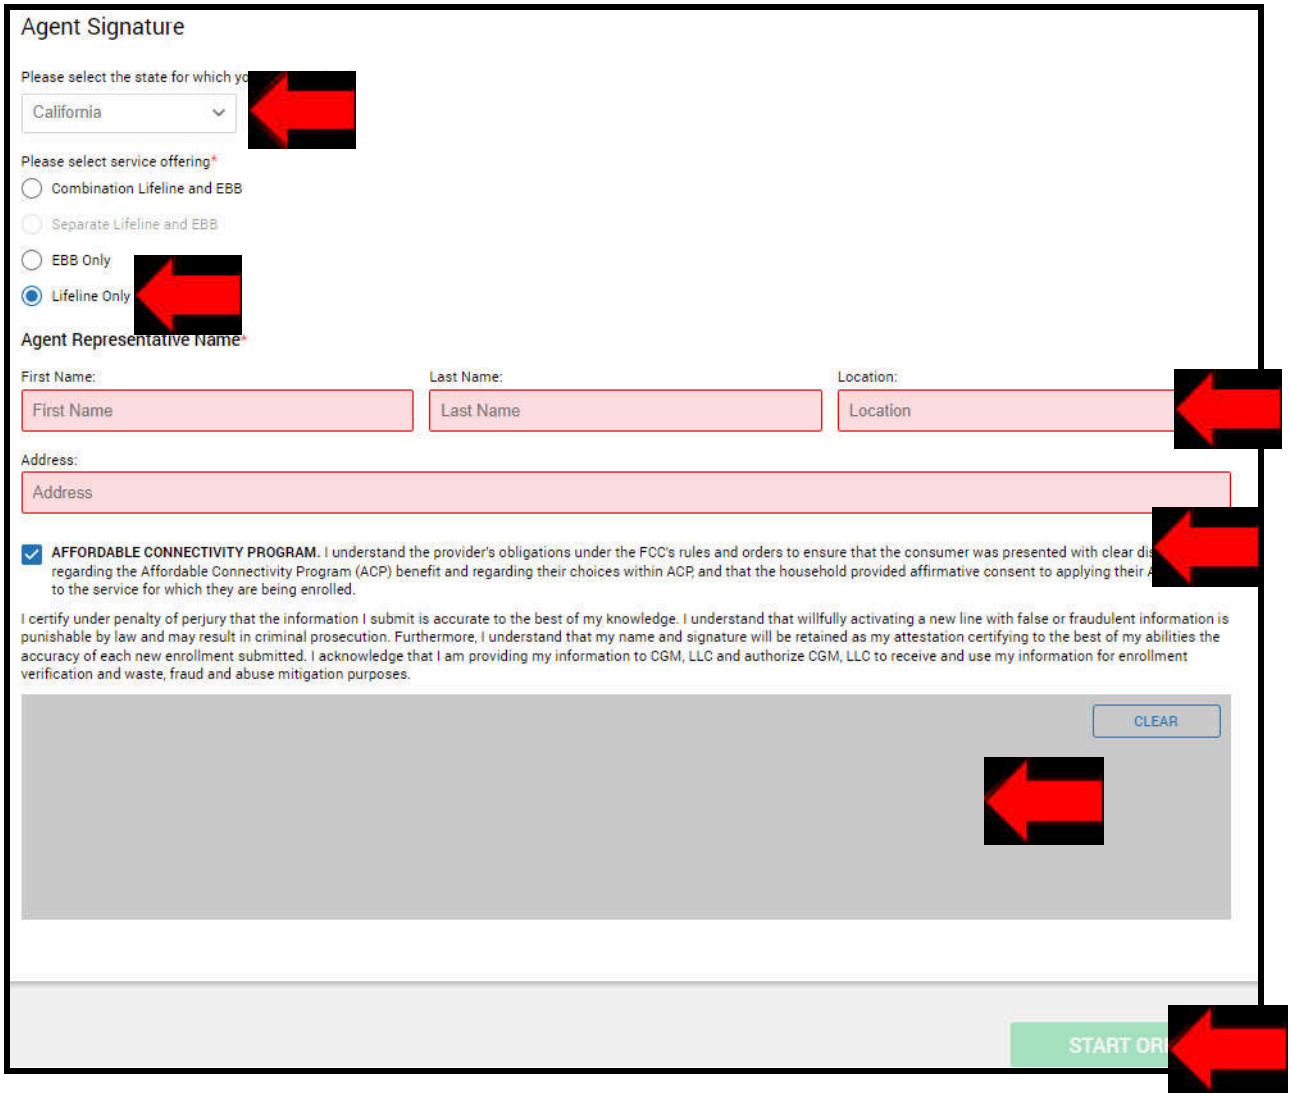

3. After log in, you will see a yellow pop up message asking you to confirm your phone number.
    a. This does not occur upon every login.
4. Click “Continue”

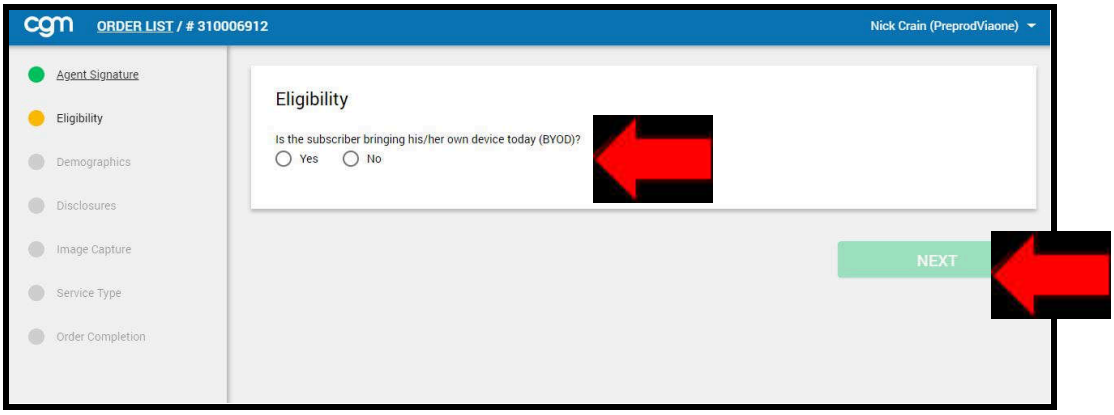

5. The phone number in your CGM profile will automatically populate in the "Mobile Phone Number" field.
    a. If you no longer have access to this phone number you will need to submit a phone number change request via the agent dashboard.

6. Click “Send” to have the verification code sent to you.
7. Once you receive the verification code enter it in and click “Verify”
8. If you successfully enter the verification code, you will receive a green confirmation message
9. Click “Next”
10. Enter the following information then click [START ORDER]
    a. Select the state for which you want service
    b. Select [**Lifeline Only**] as the service offering
    c. Enter your information
    d. Check the disclosures box & enter signature

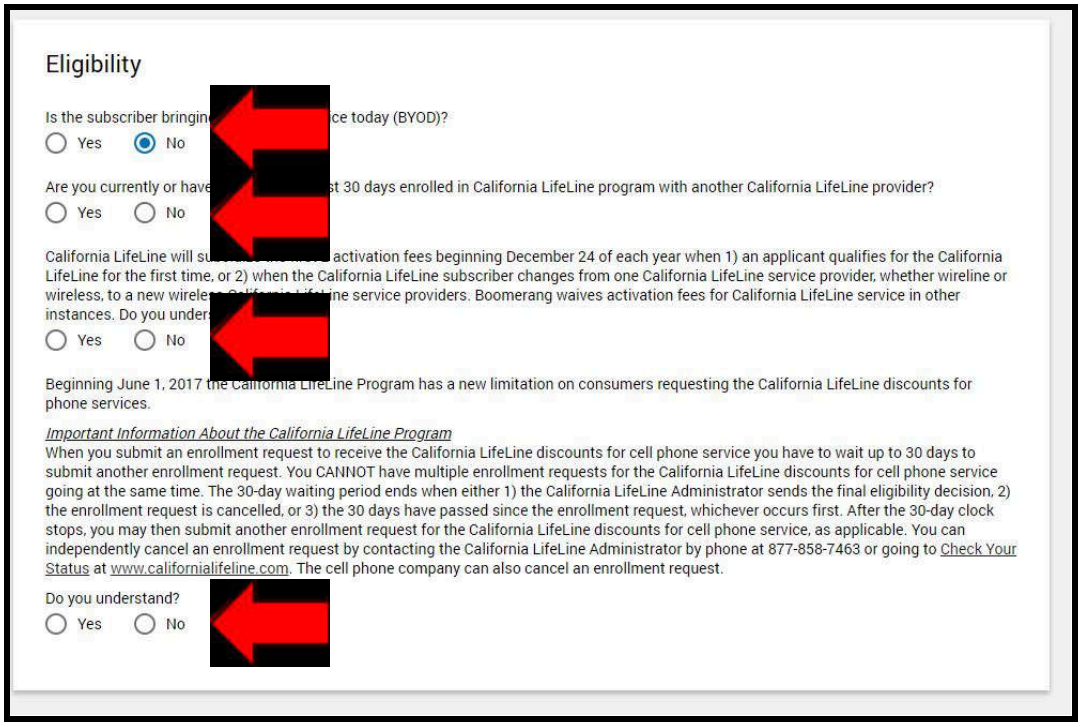

11. You will be redirected to the Eligibility screen. If the customer is using their own device, click [Yes]. If the customer will be receiving a device from your available inventory, click [No] and then click [Next].

a. If the agent selects **Yes** the following screen will come up.
    i. Enter in the ESN or IMEI provided by the customer and click [Validate]. CGM will validate that the Device ID does not exist in your inventory. *Note: If the customer is providing an IMEI (GSM device), you will still activate a SIM from your inventory later in the order process.*

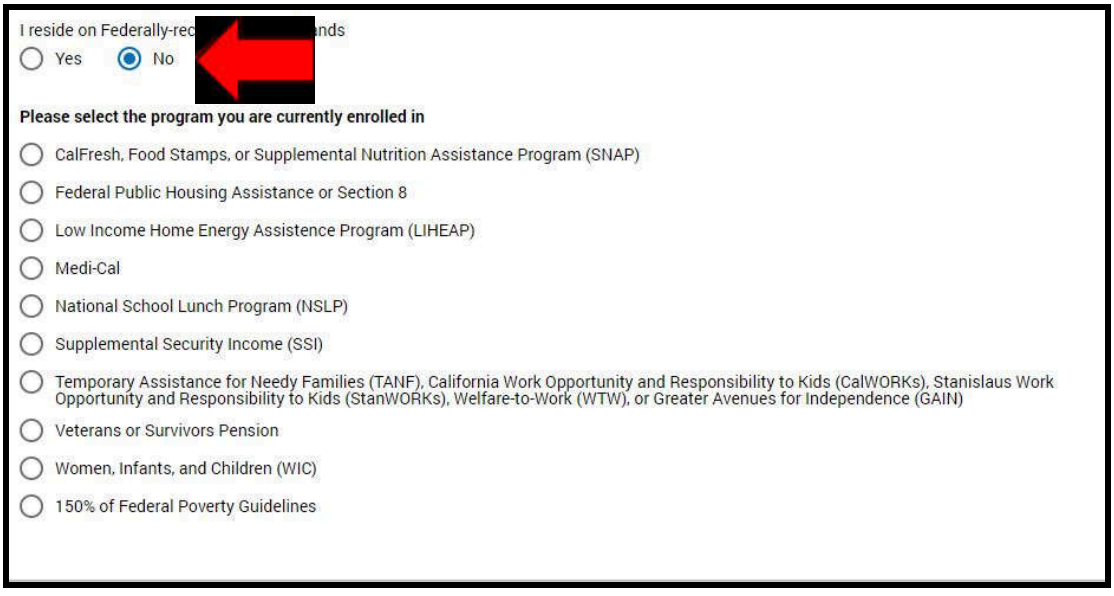

b. If the agent selects **No** the following screen will come up

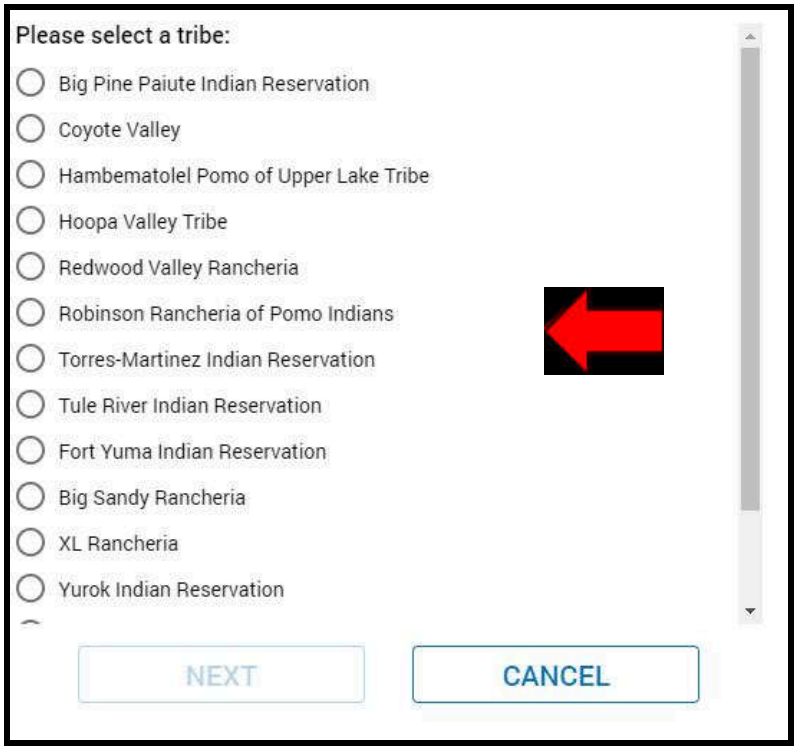

12. Eligibility Programs (if **No** for tribal)

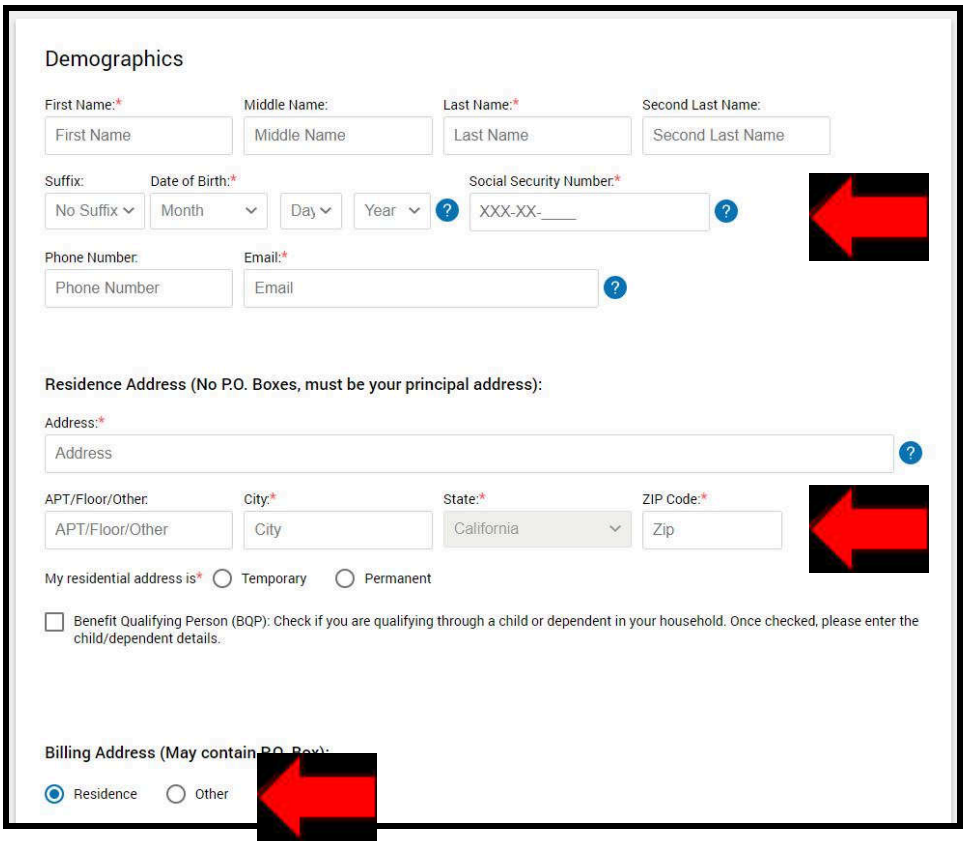

5. Select the eligibility program for which the customer participates in and click [Next]. Customers must have documentation at hand.

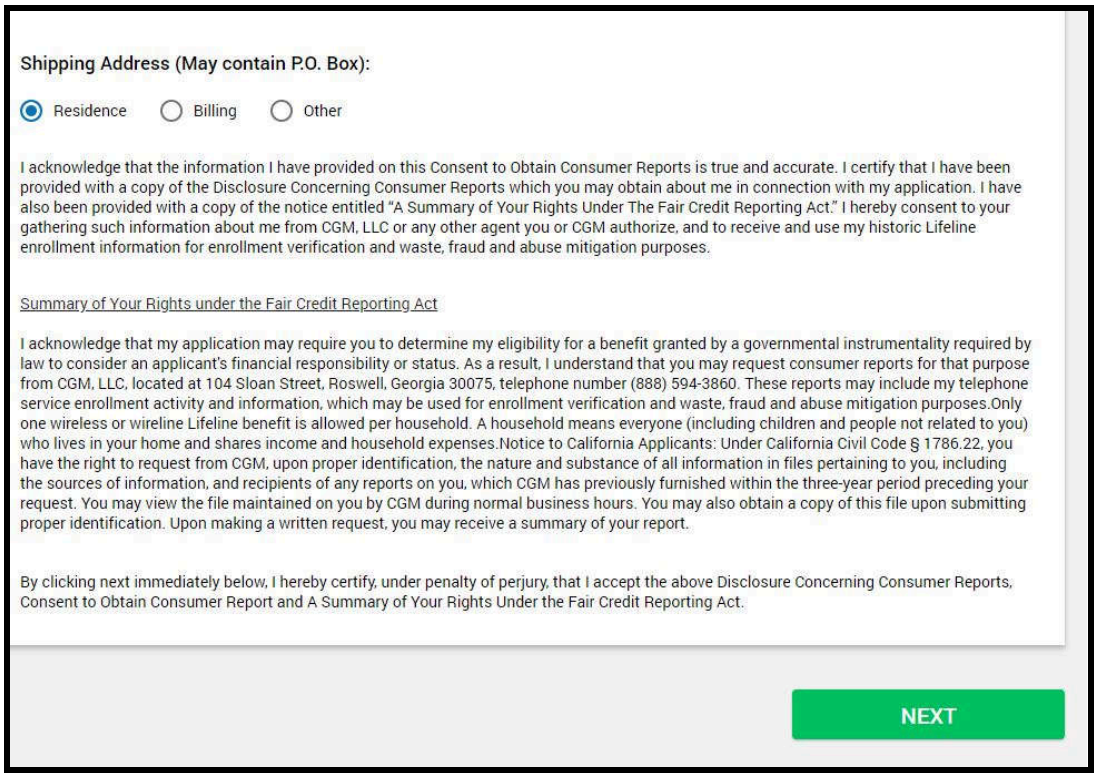

6. If **Yes** for Tribal, you may be asked to select the Tribe and then select the program.

7. Enter the customer's demographic information - this must match EXACTLY what is on the customer's ID and click [Next].
    a. If the subscriber is using the benefits of a BQP (Benefit Qualifying Person), select [**Yes]** and enter the BQP demographic information and then click [Next]

8. Read the following disclosures to the customer and have them sign the application.
    a. If the subscriber answers **Yes** on question 1, they will be required to answer HOH (Head of Household) questions

Disclosures

Please read the following disclosure to the end-user prior to proceeding.

A complete and signed Lifeline Service Application and Certification ("Certification") is required to enroll you in Boomerang Wireless' Lifeline service program in your state. This Certification is only for the purpose of verifying your eligibility for Lifeline service and will not be used for any other purpose. Service requests will not be processed until this Form has been received and verified by Company.

You have been asked to complete this Worksheet because someone else currently receives a Lifeline-supported service at your address. This other person may or may not be a part of your household. Answer the questions below to determine whether there is more than one household residing at your address.

1. Does your spouse or domestic partner (that is, someone you are married to or in a relationship with) already receive a Lifeline-discounted phone? (check no if you do not have a spouse or partner)

◯ Yes ◯ No

One Lifeline service per household disclosures: Lifeline is a government assistance program and willfully making false statements to obtain a Lifeline benefit can result in fines, imprisonment, de-enrollment or being barred from the program. Lifeline benefits are limited to a single line of service per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. A household may not receive multiple Lifeline discounts. You may apply your Lifeline discount to either one landline or one wireless number, but you cannot have the discount on both and you cannot receive Lifeline benefits from multiple providers. Note that not all Lifeline services are currently marketed under the name Lifeline. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person, including another eligible low-income consumer. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program, and potentially prosecution by the United States Government.

☐ I hereby certify, under penalty of perjury, that I have read and understood the disclosures listed above and that, to the best of my knowledge, my household is not already receiving a Lifeline service benefit.

Activation and usage requirement disclosures: This service is a prepaid service and you must personally activate it by dialing 611 from your handset. To keep your account active, you must use your Lifeline service at least once during any 30-day period by completing an outbound call, sending a text message, using your mobile broadband connection, purchasing additional minutes or data from Company, answering an in-bound call from someone other than the Company, or by responding to a direct contact from the Company confirming that you want to continue receiving Lifeline service from Company. If your service goes unused for 30 days, you will no longer be eligible for Lifeline benefits and your service will be suspended (allowing only 911 calls and calls to the Company's customer care center) subject to a 15-day cure period during which you may use the service (as described above) or contact the Company to confirm that you want to continue receiving Lifeline service from Company.

☐ I hereby certify that I have read and understood the disclosures listed above regarding activation and usage requirements.

You have been asked to complete this Worksheet because someone else currently receives a Lifeline-supported service at your address. This other person may or may not be a part of your household. Answer the questions below to determine whether there is more than one household residing at your address.

Authorizations:

- [ ] I hereby authorize the Company to access any records required to verify my statements on this form and to confirm my eligibility for the Lifeline program. I also authorize the Company to release any records required for the administration of the Lifeline program (name, telephone number, address, date of birth, last 4 digits of SSN, or Tribal ID Number, amount of support being sought, means of qualification for support, and dates of service initiation and termination), including to the Universal Service Administrative Company, to be used in a Lifeline database and to ensure the proper administration of the Lifeline Program. Failure to consent will result in denial of service.

- [ ] I understand I have the right to enroll in the Lifeline service using non-electronic methods. I further understand that I have the right to withdraw this consent at any time prior to activation of my service. The Company has advised me that I may request a paper copy of my contract and associated fees by calling 611 from my wireless handset.

- [ ] I hereby authorize the Company to send text messages to my Company provided wireless number about my Lifeline benefit. Text messages sent by the Company will not decrement my available wireless minutes or texts. Standard voice, data and text rates will apply to all messages to and from anyone other than the Company.

- [ ] I acknowledge that I am providing the information I have included in this application to CGM, LLC and further authorize CGM, LLC to receive and use my information for enrollment verification and waste, fraud and abuse mitigation purposes. Additionally, I authorize CGM to receive and use my historic Lifeline enrollment information for enrollment verification and waste, fraud and abuse mitigation purposes.

Additional certifications: I hereby certify, under penalty of perjury, that (check box for each statement to which you certify):

- [ ] I meet the income-based or program-based eligibility criteria for receiving Lifeline service and have provided documentation of eligibility if required.

- [ ] I hereby certify that I participate in the following program CalFresh, Food Stamps, or Supplemental Nutrition Assistance Program (SNAP).

- [ ] I will notify the Company within 30 days if for any reason I no longer satisfy the criteria for receiving Lifeline including, as relevant, if I no longer meet the income-based or program-based eligibility criteria, I begin receiving more than one Lifeline benefit, or another member of my household is receiving a Lifeline benefit. I understand that I may be subject to penalties if I fail to follow this requirement.

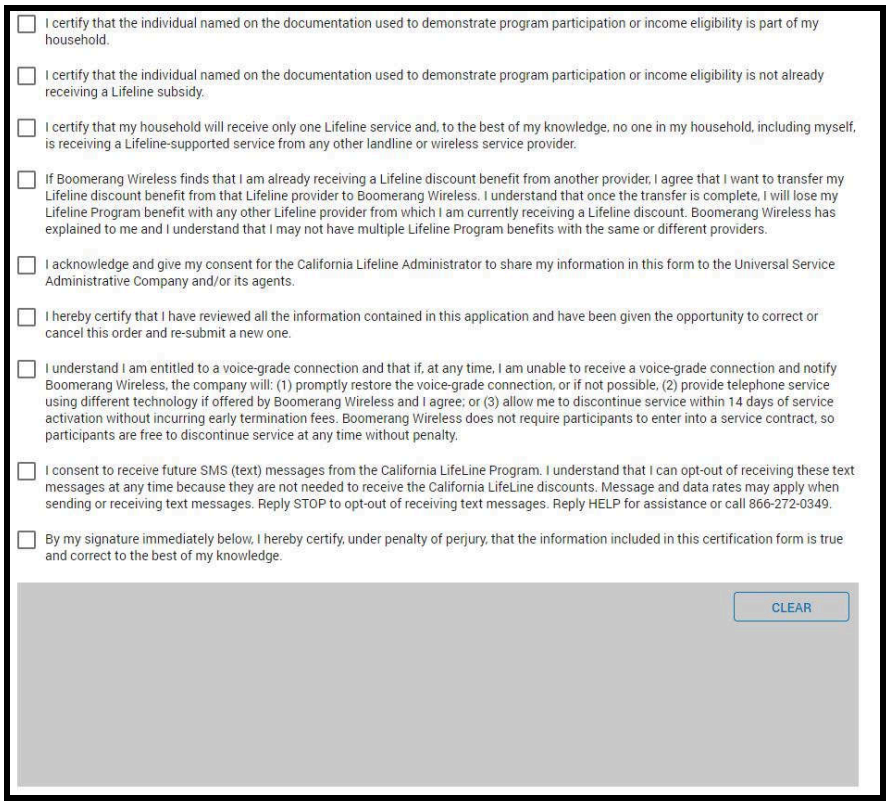

- [ ] I am not listed as a dependent on another person's tax return (unless over the age of 60).

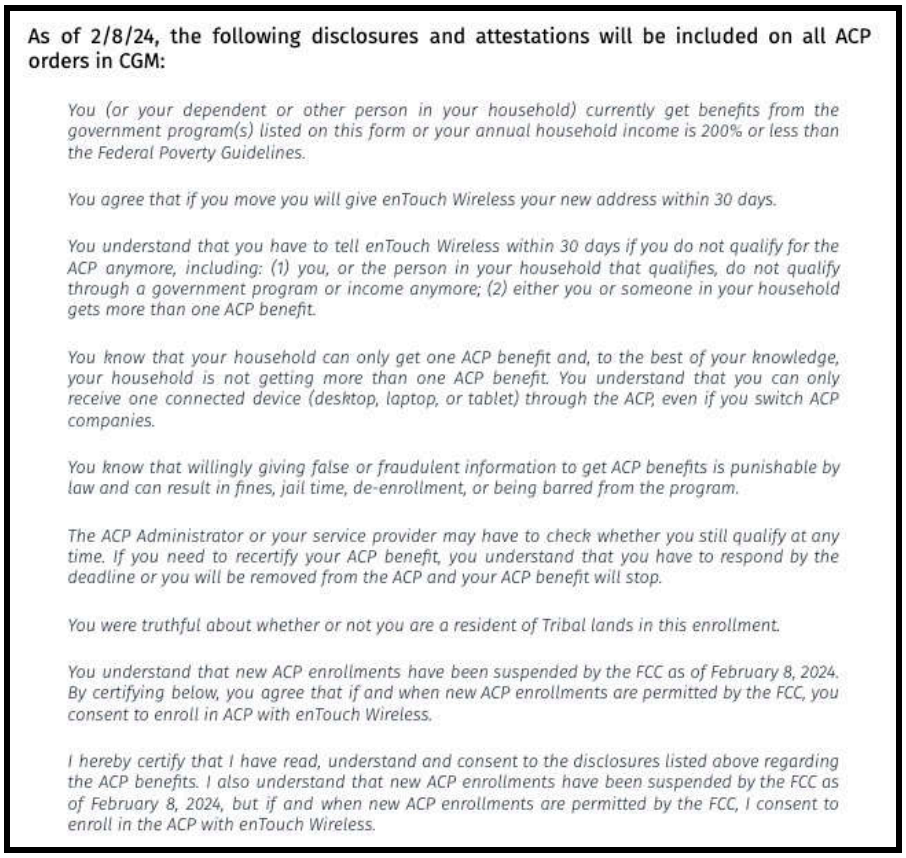

- [ ] The Residential Address listed above is my primary residence, not a second home or business.

- [ ] If I move to a new address, I will provide that new address to the Company within 30 days.

- [ ] I acknowledge that providing false or fraudulent information to receive Lifeline benefits is punishable by law.

- [ ] I acknowledge that I may be required to re-certify my continued eligibility for Lifeline at any time, and my failure to re-certify as to my continued eligibility will result in de-enrollment and the termination of my Lifeline benefits.

I certify that the individual named on the documentation used to demonstrate program participation or income eligibility is part of my household.
I certify that the individual named on the documentation used to demonstrate program participation or income eligibility is not already receiving a Lifeline subsidy.
I certify that my household will receive only one Lifeline service and, to the best of my knowledge, no one in my household, including myself, is receiving a Lifeline-supported service from any other landline or wireless service provider.
If Boomerang Wireless finds that I am already receiving a Lifeline discount benefit from another provider, I agree that I want to transfer my Lifeline discount benefit from that Lifeline provider to Boomerang Wireless. I understand that once the transfer is complete, I will lose my Lifeline Program benefit with any other Lifeline provider from which I am currently receiving a Lifeline discount. Boomerang Wireless has explained to me and I understand that I may not have multiple Lifeline Program benefits with the same or different providers.
I acknowledge and give my consent for the California Lifeline Administrator to share my information in this form to the Universal Service Administrative Company and/or its agents.
I hereby certify that I have reviewed all the information contained in this application and have been given the opportunity to correct or cancel this order and re-submit a new one.
I understand I am entitled to a voice-grade connection and that if, at any time, I am unable to receive a voice-grade connection and notify Boomerang Wireless, the company will: (1) promptly restore the voice-grade connection, or if not possible, (2) provide telephone service using different technology if offered by Boomerang Wireless and I agree; or (3) allow me to discontinue service within 14 days of service activation without incurring early termination fees. Boomerang Wireless does not require participants to enter into a service contract, so participants are free to discontinue service at any time without penalty.
I consent to receive future SMS (text) messages from the California LifeLine Program. I understand that I can opt-out of receiving these text messages at any time because they are not needed to receive the California LifeLine discounts. Message and data rates may apply when sending or receiving text messages. Reply STOP to opt-out of receiving text messages. Reply HELP for assistance or call 866-272-0349.
By my signature immediately below, I hereby certify, under penalty of perjury, that the information included in this certification form is true and correct to the best of my knowledge.
CLEAR

As of 2/8/24, the following disclosures and attestations will be included on all ACP orders in CGM:

You (or your dependent or other person in your household) currently get benefits from the government program(s) listed on this form or your annual household income is 200% or less than the Federal Poverty Guidelines.

You agree that if you move you will give enTouch Wireless your new address within 30 days.

You understand that you have to tell enTouch Wireless within 30 days if you do not qualify for the ACP anymore, including: (1) you, or the person in your household that qualifies, do not qualify through a government program or income anymore; (2) either you or someone in your household gets more than one ACP benefit.

You know that your household can only get one ACP benefit and, to the best of your knowledge, your household is not getting more than one ACP benefit. You understand that you can only receive one connected device (desktop, laptop, or tablet) through the ACP, even if you switch ACP companies.

You know that willingly giving false or fraudulent information to get ACP benefits is punishable by law and can result in fines, jail time, de-enrollment, or being barred from the program.

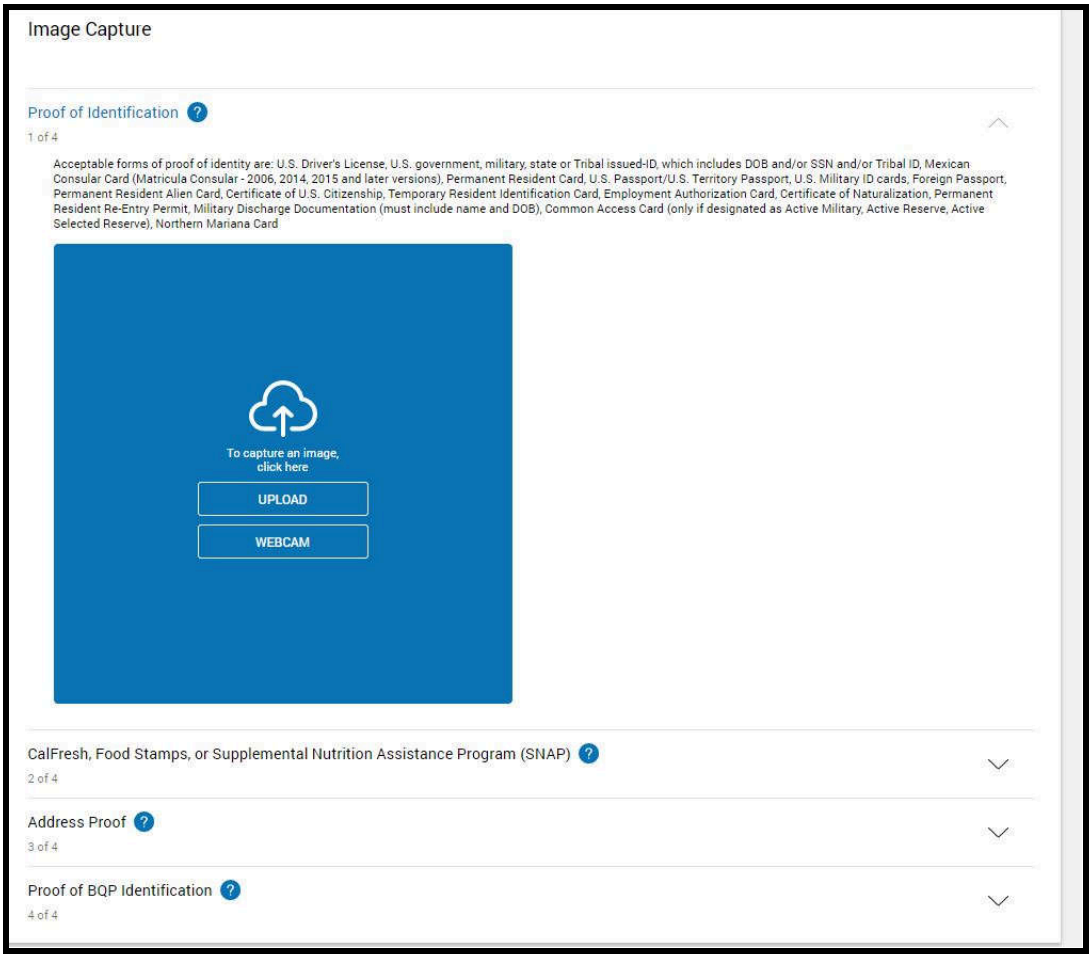

The ACP Administrator or your service provider may have to check whether you still qualify at any time. If you need to recertify your ACP benefit, you understand that you have to respond by the deadline or you will be removed from the ACP and your ACP benefit will stop.

You were truthful about whether or not you are a resident of Tribal lands in this enrollment.

You understand that new ACP enrollments have been suspended by the FCC as of February 8, 2024. By certifying below, you agree that if and when new ACP enrollments are permitted by the FCC, you consent to enroll in ACP with enTouch Wireless.

I hereby certify that I have read, understand and consent to the disclosures listed above regarding the ACP benefits. I also understand that new ACP enrollments have been suspended by the FCC as of February 8, 2024, but if and when new ACP enrollments are permitted by the FCC, I consent to enroll in the ACP with enTouch Wireless.

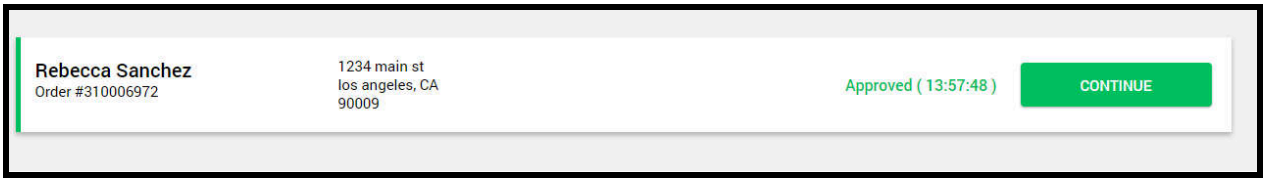

9. Image capture (if required) Use your webcam to capture the required images.
    a. Proof of identification is ***NOT*** required unless the order returns possible matches, the Compliance Auditor will request that the agent submit an image of the ID.
        i. CGM will still request an image to be taken for the ID. Agents will be allowed to submit a blank or stock image.
    b. Proof of address documentation will no longer be required
        i. CGM will still request an image to be taken for the address proof. Agents will be allowed to submit a blank or stock image.

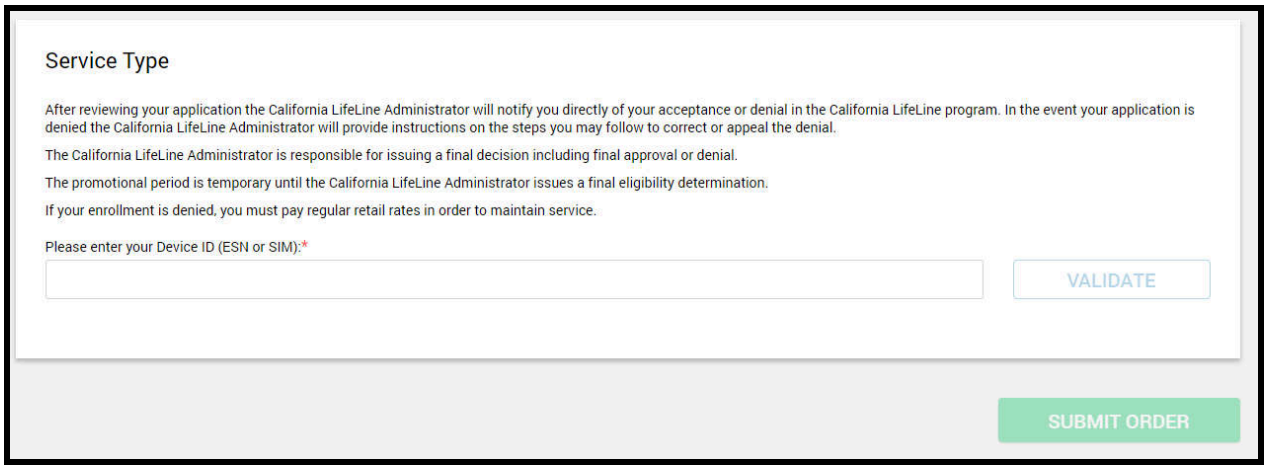

10. Once you have completed your order, your orders will go into the Incomplete Orders queue. Click on [Request Status].

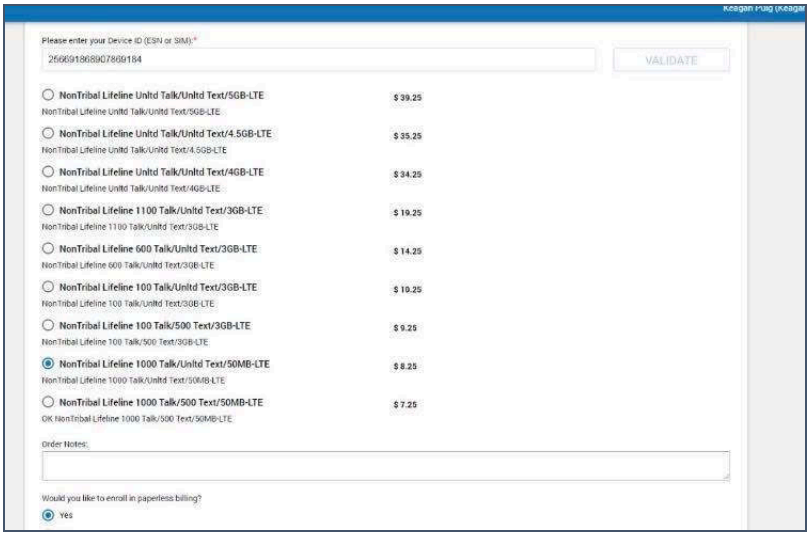

11. Once approved, click [Continue] to enter the device information and select the customer's desired plan.

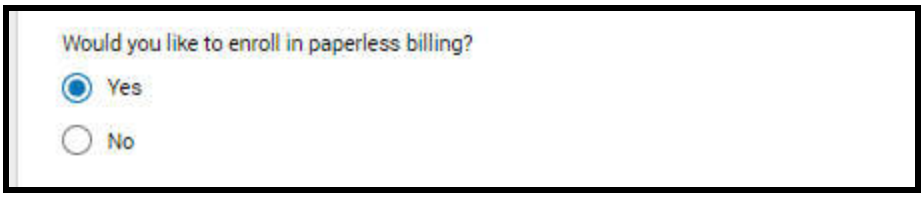

12. Enter in ESN or SIM click [Validate] and [Submit Order]
    a. For GSM devices, you will enter the SIM card number and then will be asked for the IMEI.

13. Select the plan the customer desires

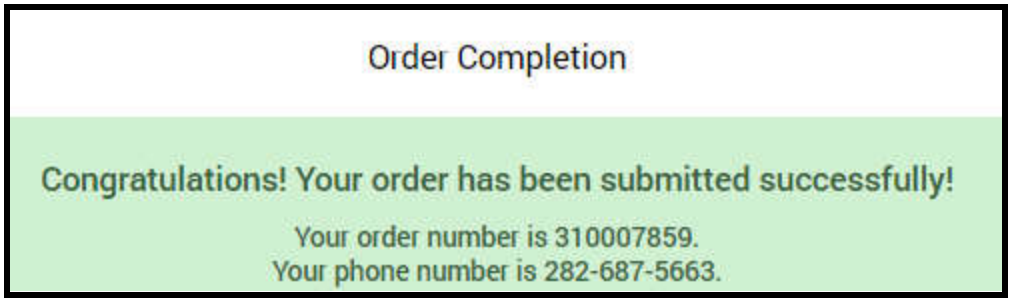

14. Click [Yes] to enroll customer in paperless billing

15. Have the customer provide a four digit PIN - this will be used to validate their account going forward and click [Submit Order]

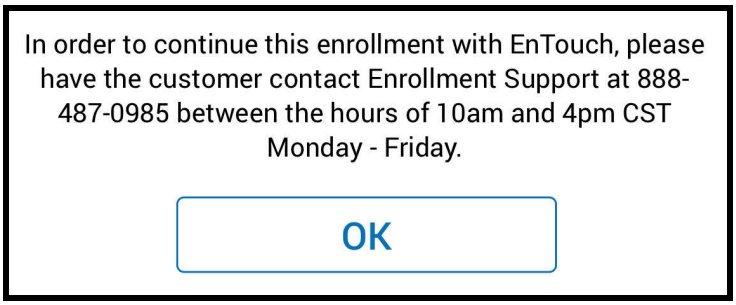

16. The Order Completion screen will appear with the order and phone number. The customer's phone number will be needed to process customer payment.

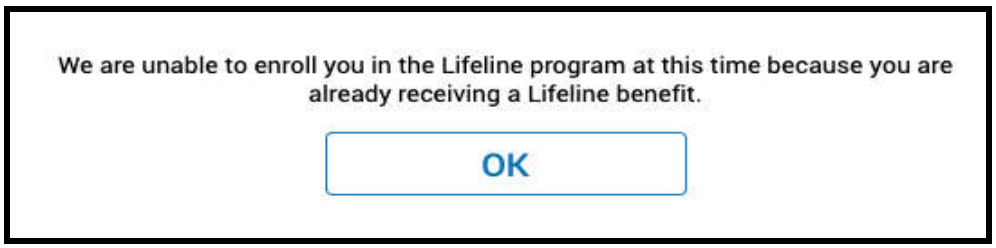

Error Messages in CGM

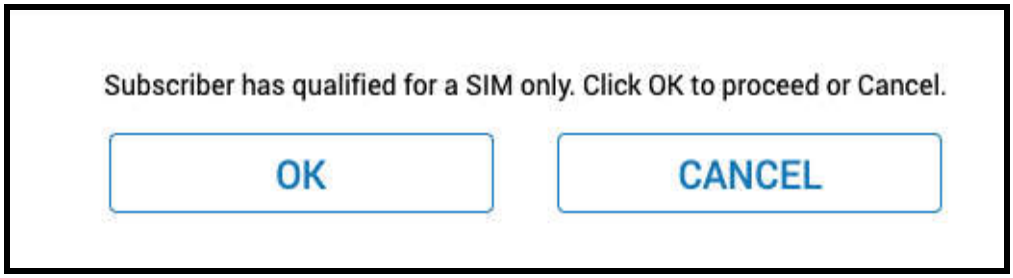

Below are potential error messages along with steps on how to resolve them.

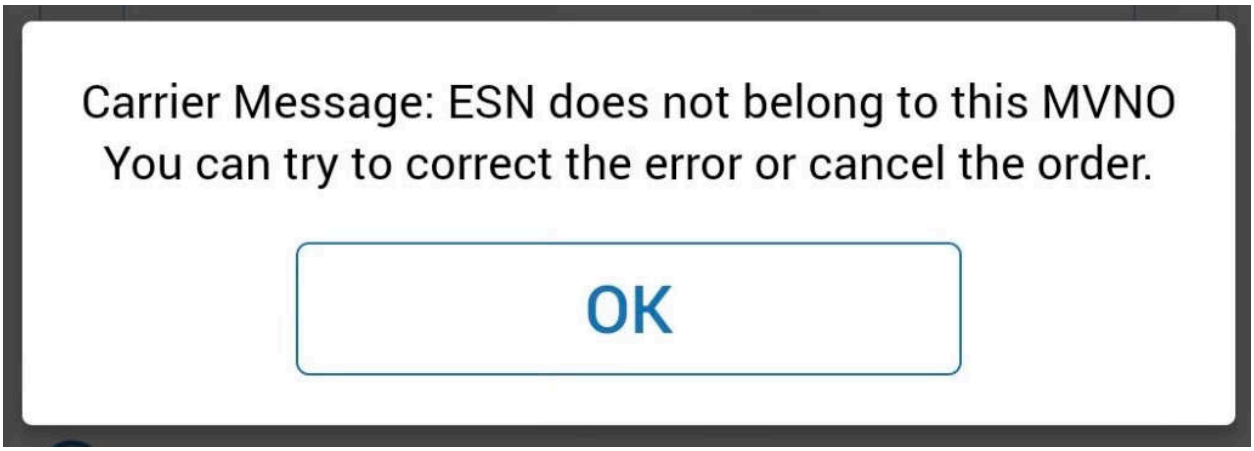

Error: The customer does not qualify to receive a device in person.
How to Resolve: The customer will need to call the toll-free number provided in the message to get further instructions on how to apply for service.

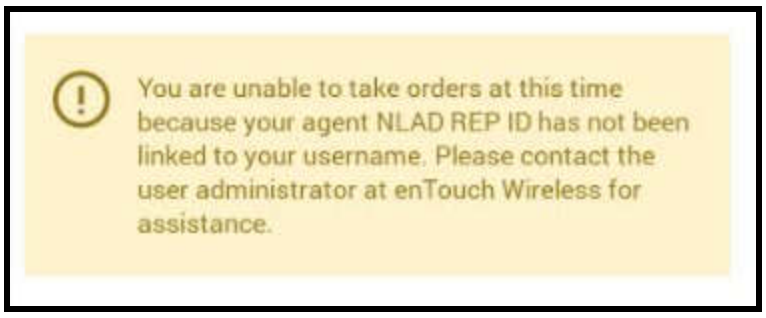

Error: If you receive the following message, the subscriber you are attempting to enroll shows to have an active account with our company.
How to Resolve: Contact Agent Relations to review the order. If the account blocking the new order is inactive, Agent Relations can clear the existing reservation and you can start a new order for the customer. If the account blocking the new order is active, Agent Relations will instruct you to contact the Retention Department to review replacement options for the customer.

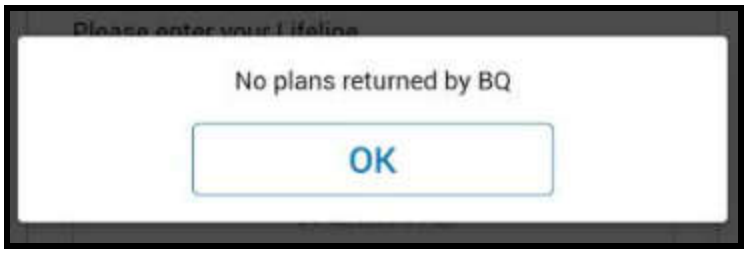

Error: If you receive the following message, the subscriber you are attempting to enroll does not qualify to receive a device but you will be able to continue the order and activate a SIM card only.
How to Resolve: Click [OK] to continue with the order or [CANCEL] to cancel the order. Note that at the end of the order, you will be asked to enter an IMEI - enter a dummy IMEI (ex: 999999999999999) and NOT an IMEI from your inventory, or you will receive an error message.

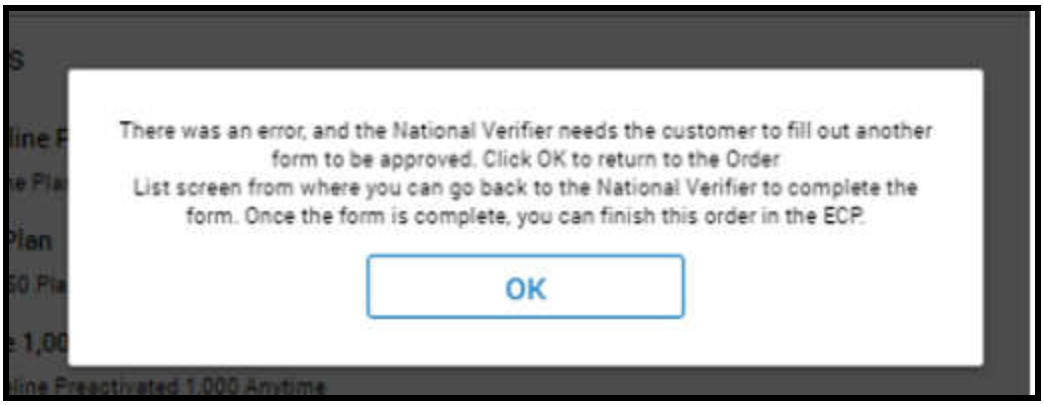

Error: If you receive the above error message, this means that the IMEI has been entered where the SIM needs to be or the SIM you are attempting to use is associated with the incorrect carrier.
How to Resolve: To correct this, confirm that you are inputting the correct inventory information in the correct box and that it's also assigned to the correct carrier. If you continue to receive this message, please contact Agent Relations for further assistance.

Error: If you are receiving this error, this means that your NLAD Rep ID has not been linked to your CGM username.
How to Resolve: To correct this error, please contact a PayGo manager at agentrelations@paygodistributors.com for assistance.

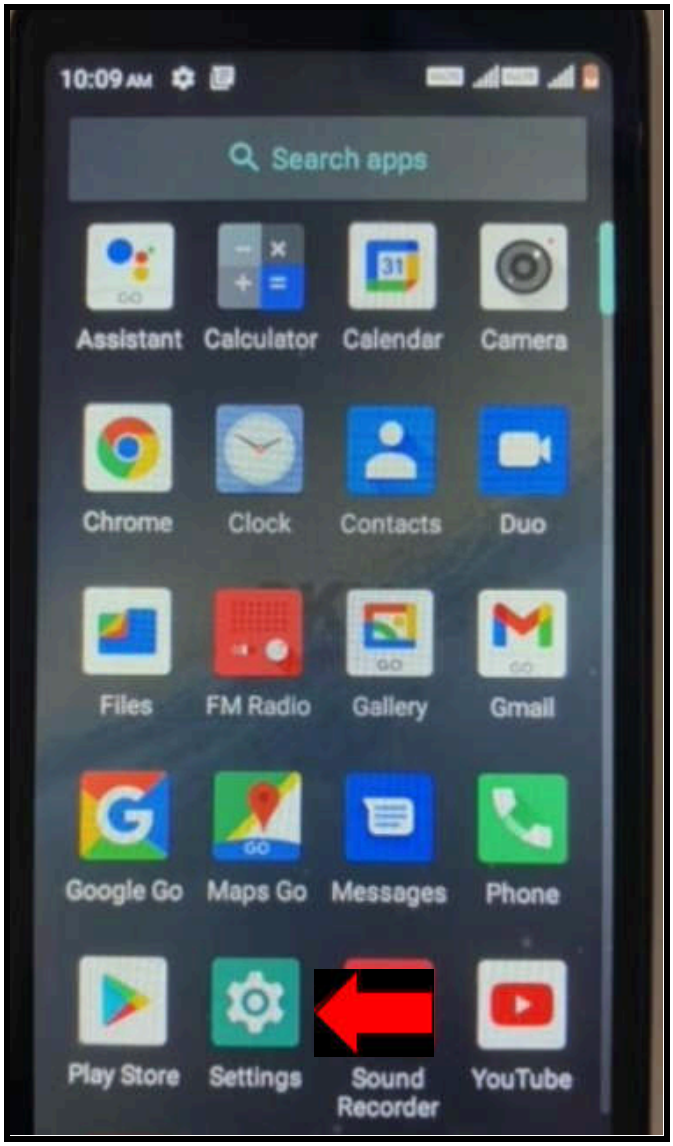

Error: If you receive this error, it means that the inventory you are attempting to use is not set up correctly in Fusion.
How to Resolve: Please contact Agent Relations and provide the order number, device ID and error message to have the inventory corrected.

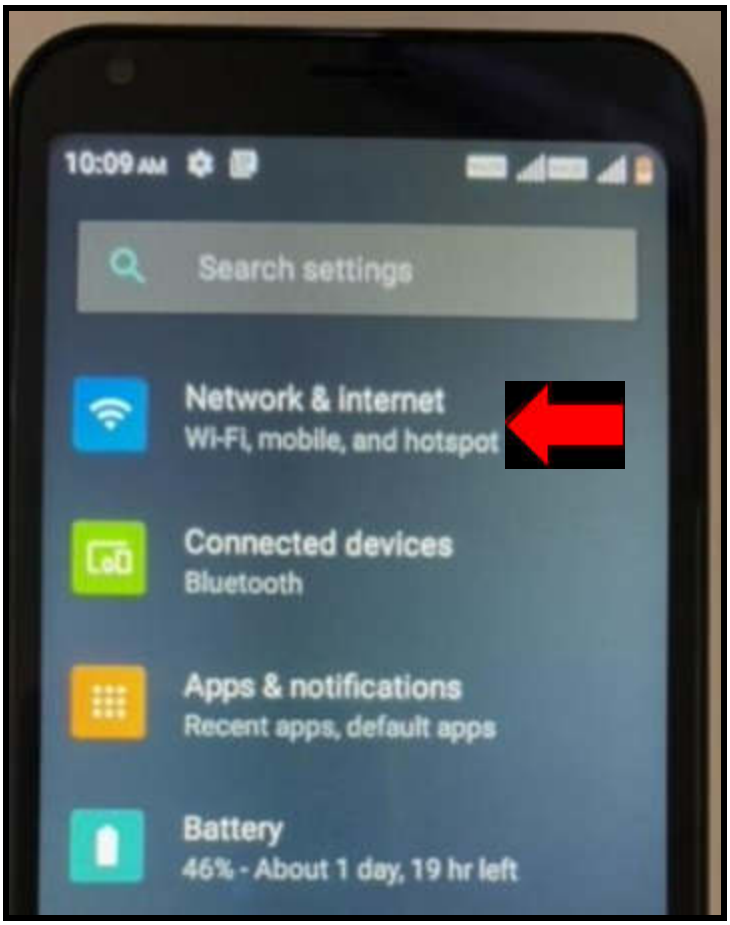

Error: If you receive this error message, It means that the National Verifier needs a Head of Household form filled out in order to continue with the order.
How to Resolve: Click [OK] to be redirected to the National Verifier to fill out the form.

Fusion

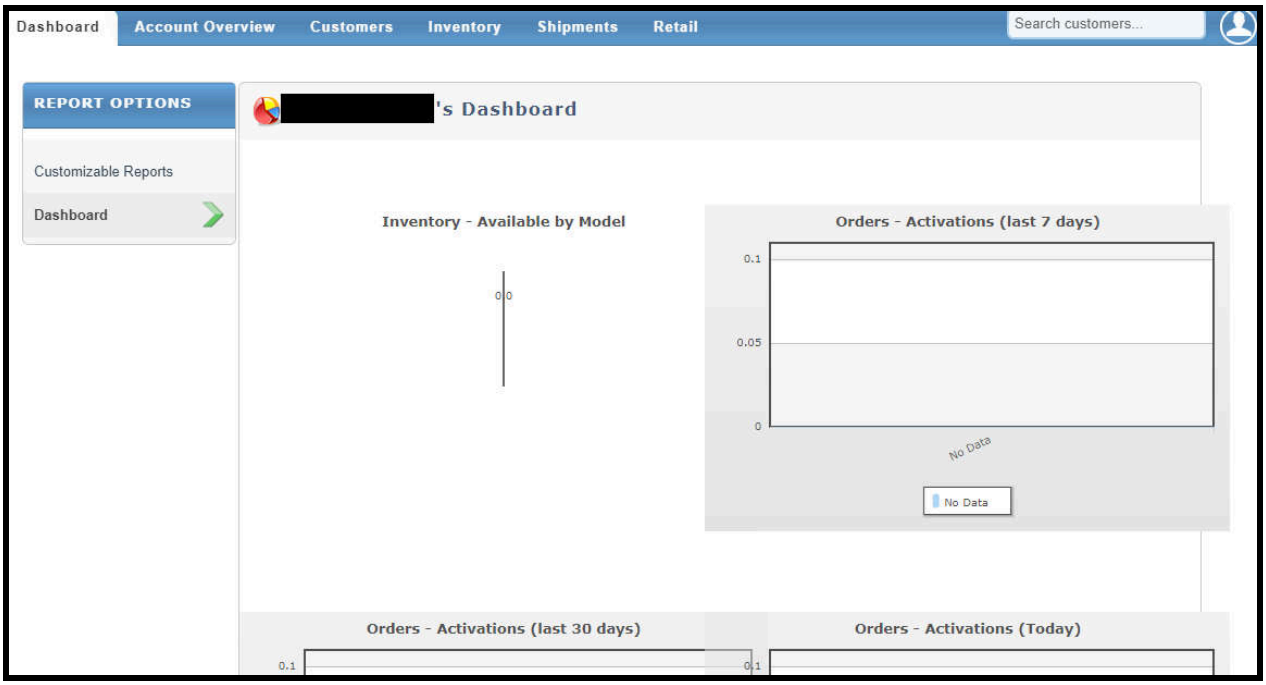

This is the retail platform that is utilized at the store level. This CSR system is typical of what you would find in a retail store or customer service environment. Functionalities for field agents and store employees are limited to avoid unauthorized transactions. Agent Relations has unrestricted access to Fusion to allow us to perform more detailed maintenance to all accounts. Fusion logins should never be shared among agents.

https://assist.telcoprovider.com

Fusion Dashboard

After successfully logging in you will be taken to your Fusion dashboard page. The Dashboard tab in Fusion includes a customizable home page, as well as a reporting module. You can view reports such as customer activations, available inventory, etc.

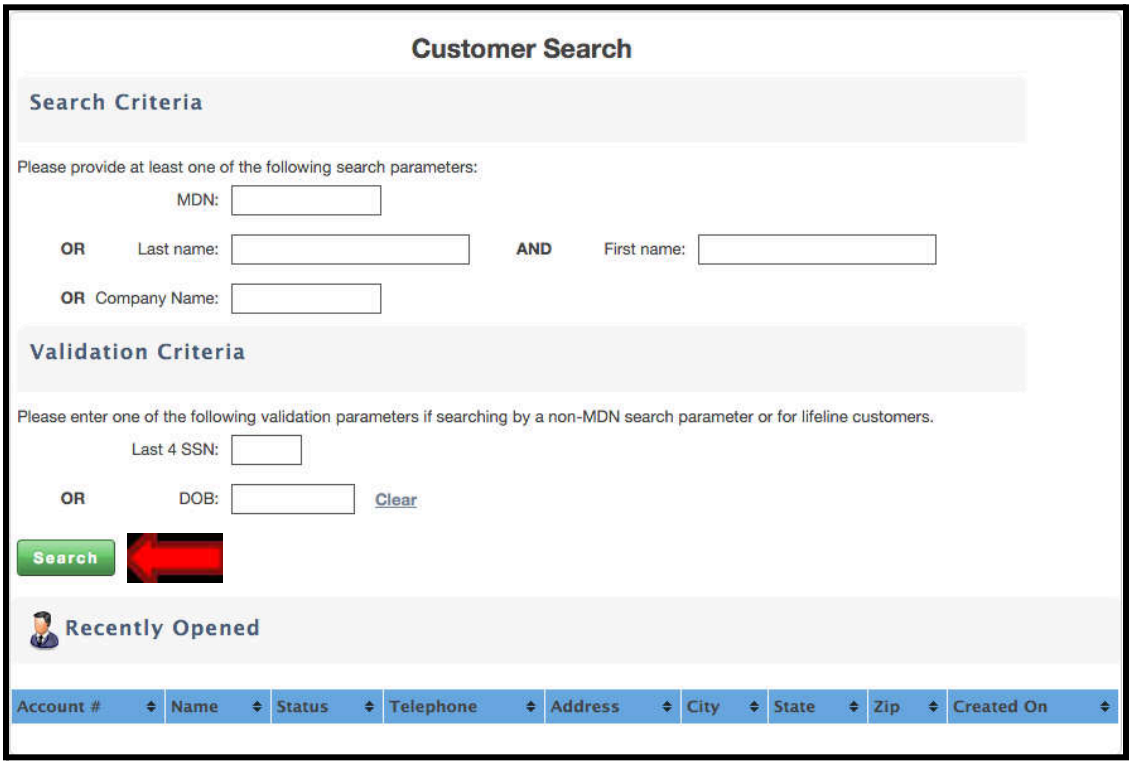

Searching Accounts

You can search for a customer by entering the required information in the Search Criteria and Validation Criteria sections.

- Search Criteria
  - Phone Number OR First and Last Name
- Validation Criteria
  - DOB OR last 4 of SSN

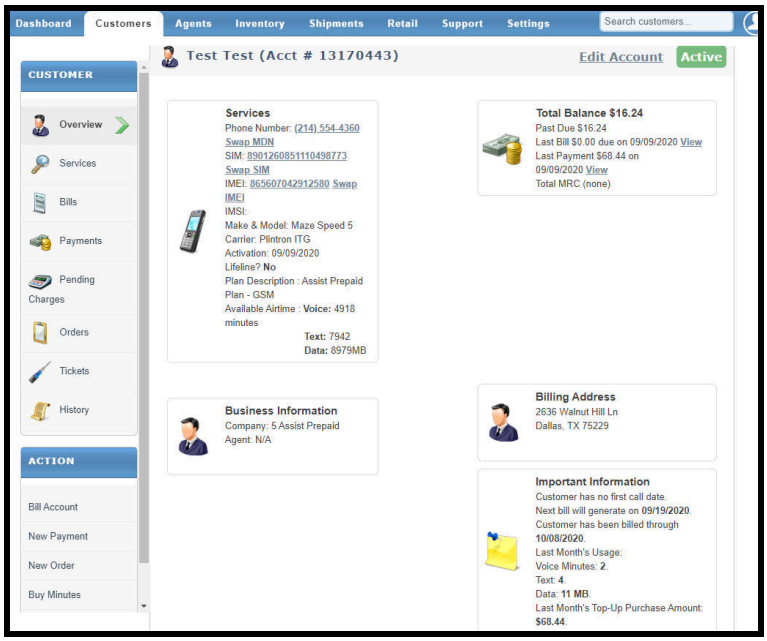

Account Overview

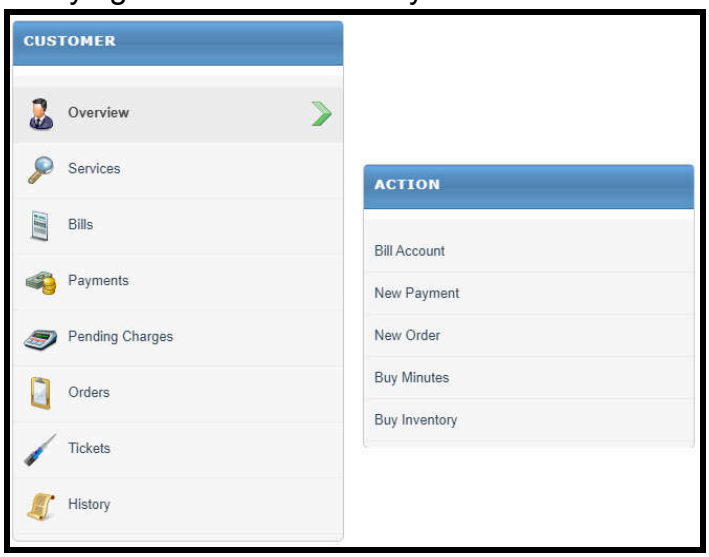

Once you click on a customer's Account number, you will see basic information about the you Account, including the following:

- Telephone Number
- Account Creation Date
- Total Balance
- Billing Address
- Type of Account (Lifeline or Prepaid)
- Handset Information
- Plan Information
- Carrier
- Remaining minutes/text/data

Customer / Action Menus

From these menus you will be able to view/make actions such as viewing detailed services, bills payments, pending charges, orders, tickets, account history, adding a new bill, payment, and buying minutes or inventory.

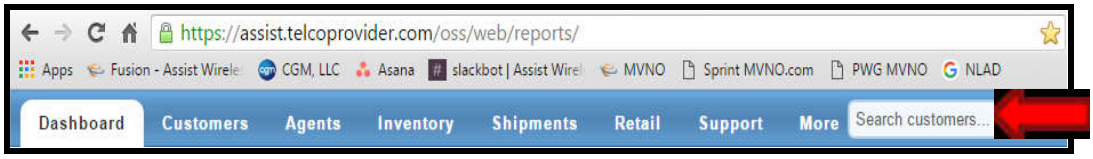

How process a Device Swap

There are times when you may want to perform an ESN Swap, such as when a customer's phone is lost or stolen, or when the customer desires an upgraded phone. In

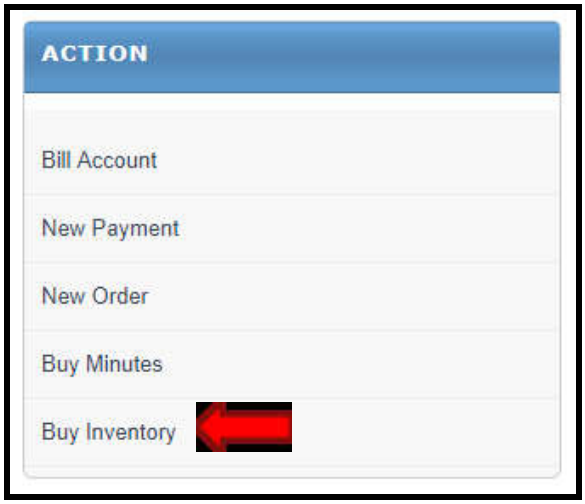

other cases, you may want to perform what is known as a Special ESN Swap, which affects a change of carrier to allow the subscriber access to a particular plan or phone.

To begin processing a swap you must first “Buy” the inventory being swapped onto the account.

1. Log in to Fusion and search for the customer’s profile by entering the phone number or account number into the “Search Customers” field.

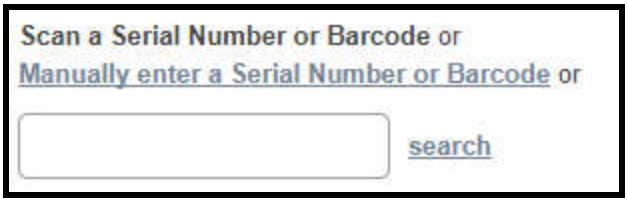

2. Click “Buy Inventory” on the customer's Overview page.

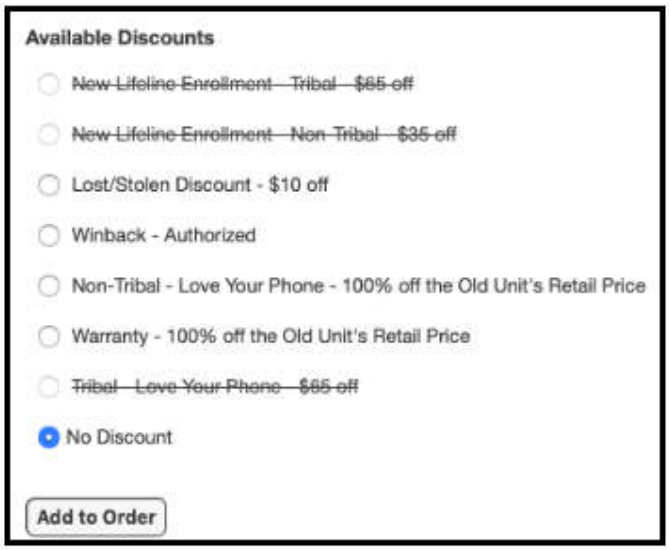

3. Select the Warehouse as Cali Distributors

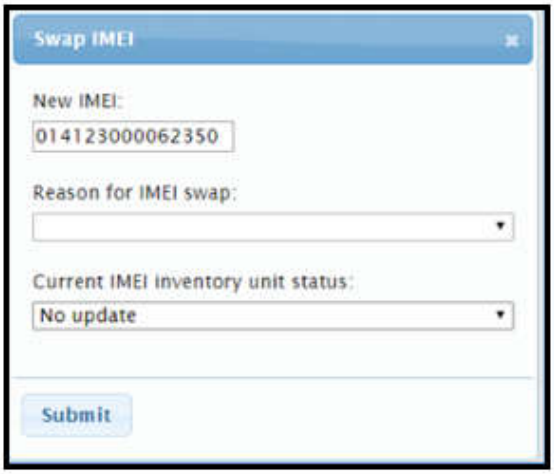

4. Click on Manually enter a Serial Number or Barcode and enter in the ESN

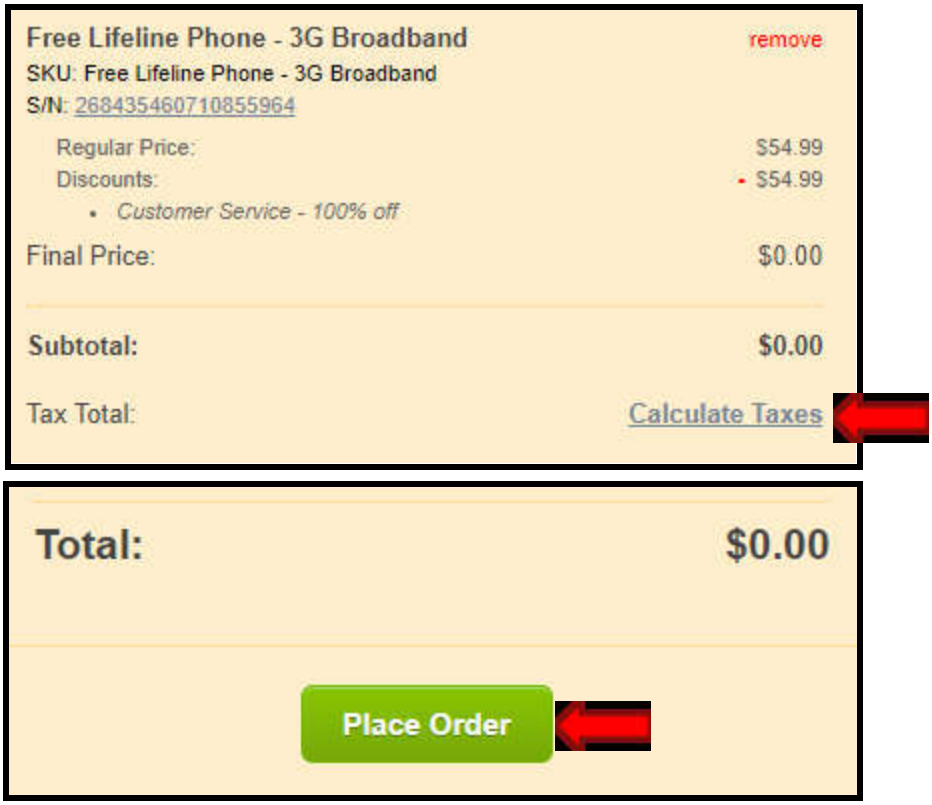

5. When the inventory information has populated, choose the appropriate discount to apply and click “Add to Order”.

6. You will be prompted to select the Swap Reason Code. Select the reason for the swap and click Submit.

7. In the Order Summary, click on calculate taxes and place the order.The system will complete the swap for you.

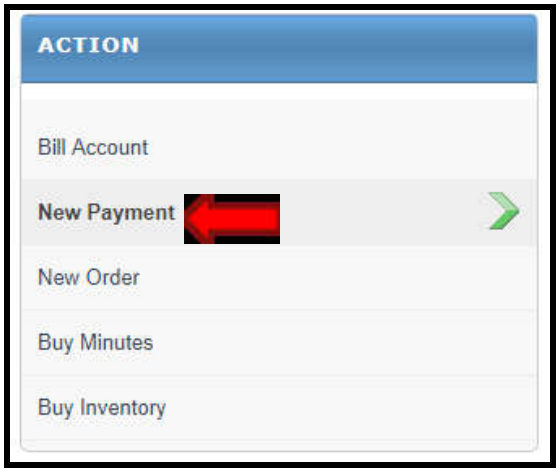

How to Process Payments

When a customer wants to make a payment towards their account, we are able to take a credit card payment.

To take a payment:

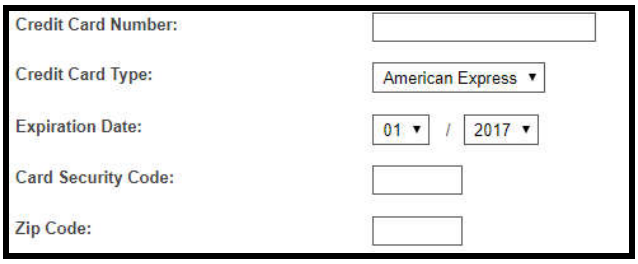

1. Access the customer's account. Under the Action menu click on New Payment

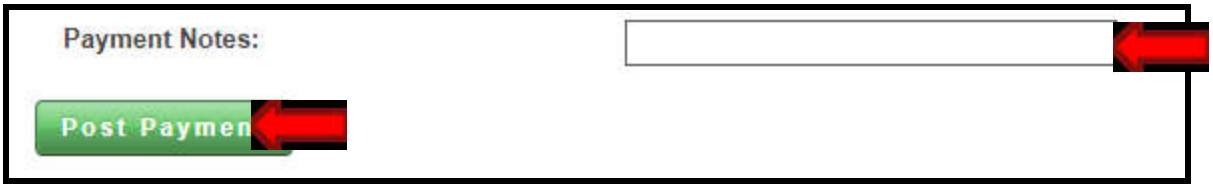

2. Enter the Payment amount the customer wants to make

3. Enter the Credit Card information

4. In Payment Notes, add the reason for the payment and click on [Post Payment]

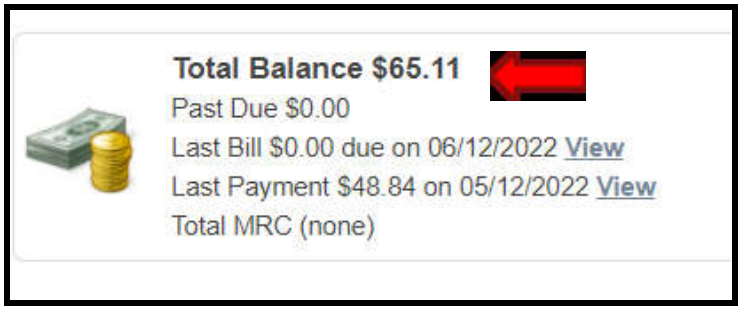

Processing Device Payments

Processing Device Payments:

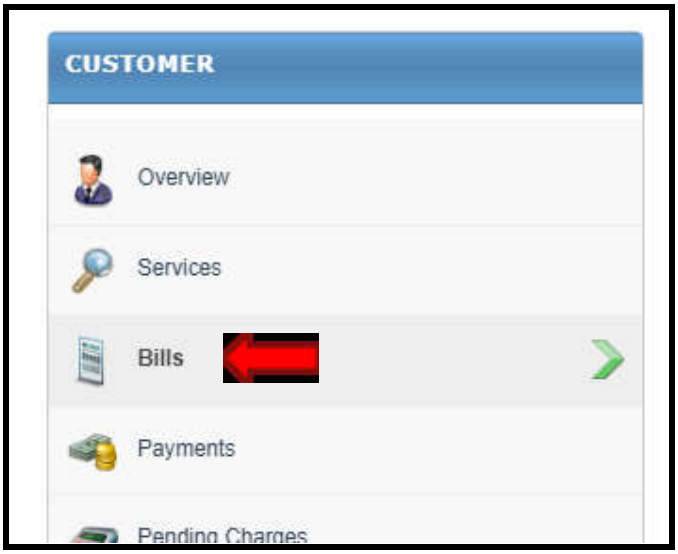

1. Open the customer's account in Fusion (www.assist.telcoprovider.com)
    a. You can search by account number, phone number or name

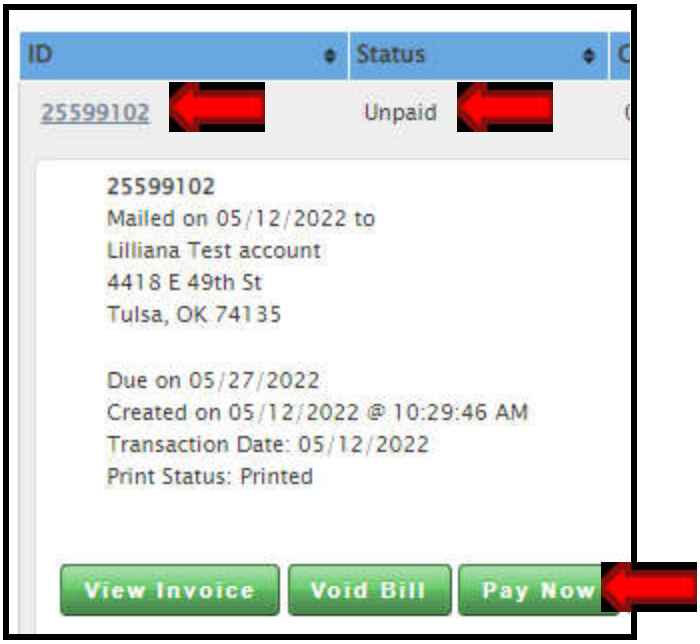

2. Verify the total balance (Prices will vary.)

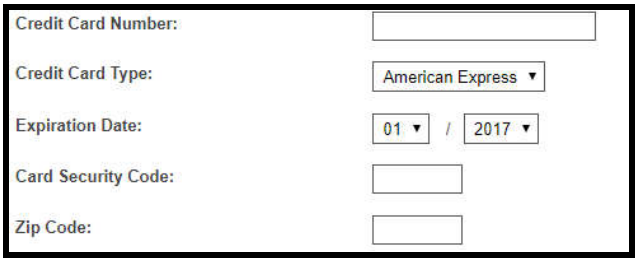

3. Click on [Bills] under the Customer Menu

4. Click on the Unpaid bill ID and click [Pay Now]

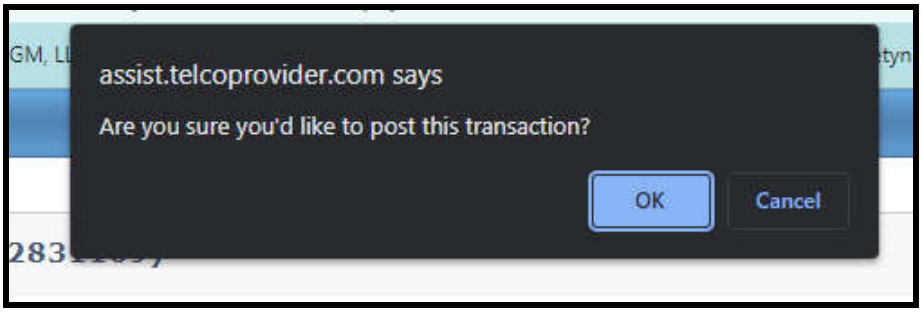

5. Enter the Credit Card information

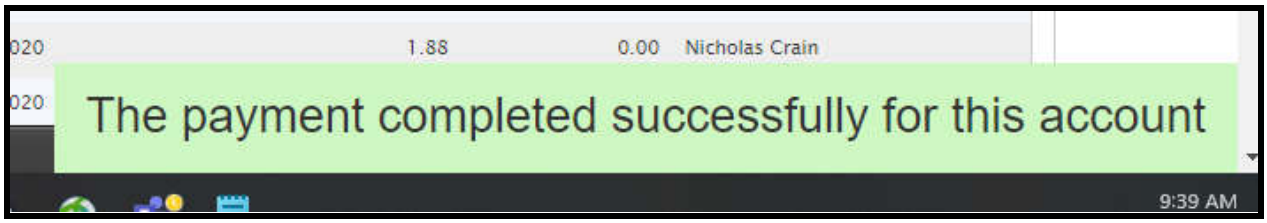

6. Click on [Post Payment]

7. Click [OK] to confirm payment

8. Once payment is successful, you will receive the following message.

Lifeline Non-Tribal Device Payments (CA Excluded)

Beginning February 12, 2024, all new Non-Tribal Lifeline customers will be required to make a payment of $30 plus tax in order to receive a phone at the time of enrollment.

Customer Type	Tribal	Non-Tribal
Lifeline Only Enrollment	FREE	$30 payment

Important Notes

- This is for **NEW** Non-Tribal Lifeline only
- Customers must make the payment **AT THE TIME OF SALE** - they cannot make a payment at a later time.
    - If the agent fails to collect the payment, they will be charged back for the device.
- Standard warranty applies.
- If a customer changes their mind about paying for the device, the sales representative will need to call into Agent Relations **the same day** to have the account canceled and the device made back available. Failure to do so will result in a chargeback.
    - Devices that are emailed or chatted in will not be made back available.
    - If agents call in after the day of enrollment, the device will not be made back available.
- Chargebacks will be processed weekly.

Field Process

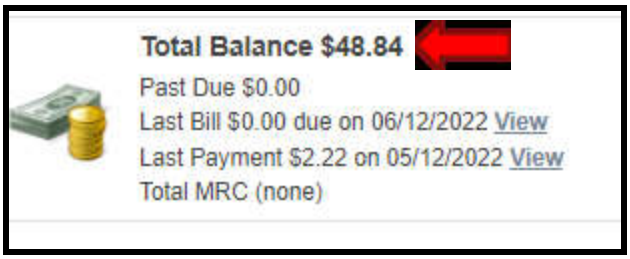

1. Begin the CGM enrollment, per the standard process
2. When you get to the inventory page, scan or enter a SIM card from your inventory
3. Enter in the device IMEI in the appropriate field
4. Select the plan the customer is wanting to be enrolled in
5. Finalize the CGM enrollment process
6. Open the customer's newly created account in Fusion to process the $45 payment (see instructions below)
7. Power on the customer's device and ensure it is functioning before handing it over to the customer.

Processing Payments:

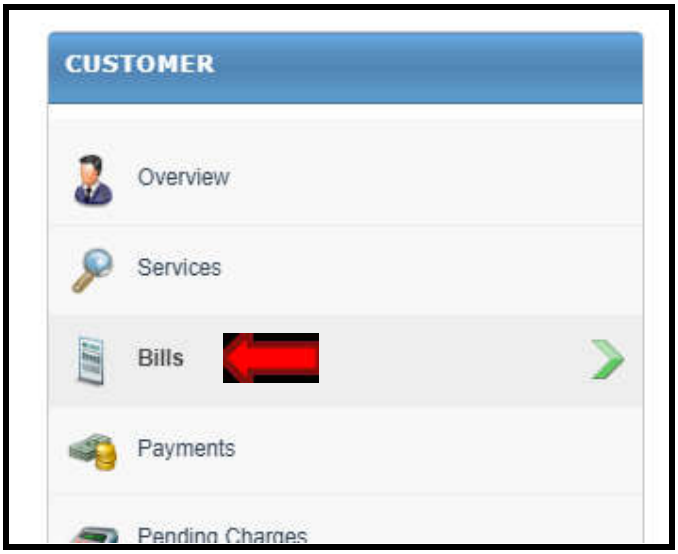

1. Open the customer's account in Fusion (www.assist.telcoprovider.com)
    a. You can search by account number, phone number or name

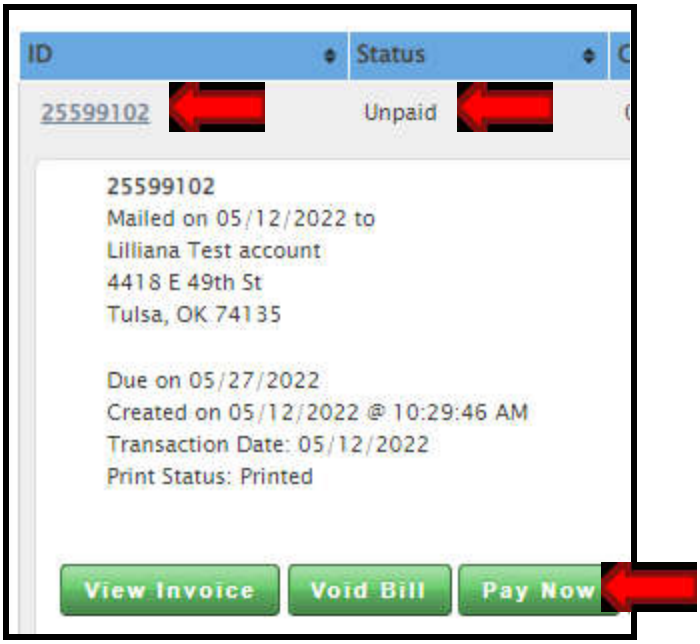

2. Verify the total balance (Prices will vary)

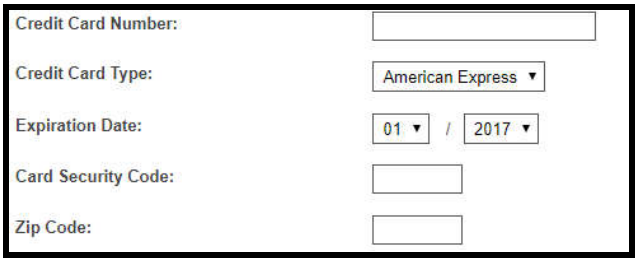

3. Click on [Bills] under the Customer Menu

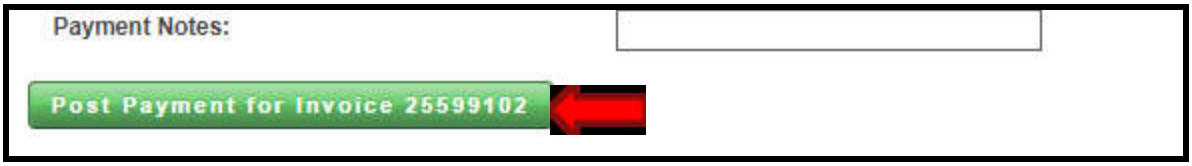

4. Click on the Unpaid bill ID and click [Pay Now]

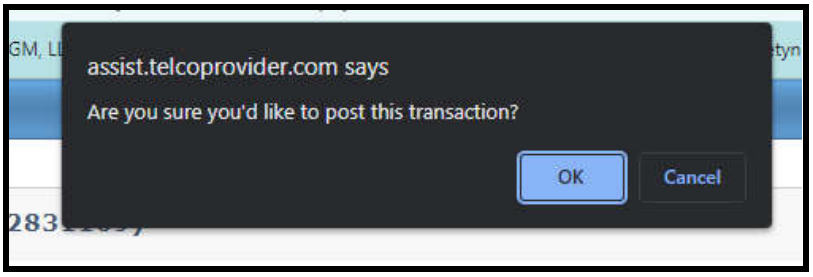

5. Enter the Credit Card information

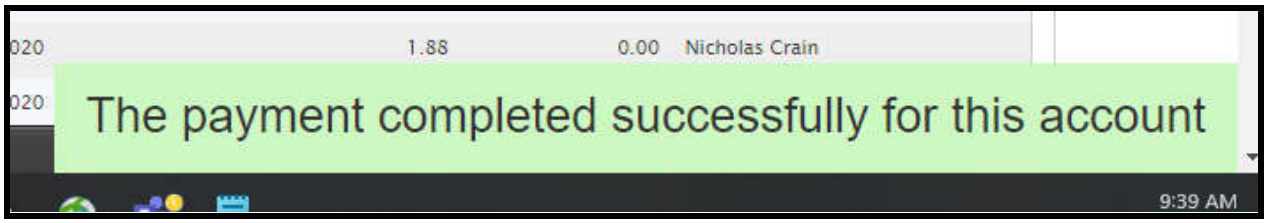

6. Click on [Post Payment]

7. Click [OK] to confirm payment

8. Once payment is successful, you will receive the following message.

Voiding Payments

Multiple reasons exist to void a payment in the system. Common reasons include an incorrect SKU entered, an incorrect amount is entered, or the customer changes their mind about a purchase. Store operators or authorized employees must contact Agent Relations to void payments - any request made by agents not on the authorized list will not be processed. (Credit Card payments cannot be voided the same day. Authorized personnel must call in 24 hours later to have the payment successfully voided)

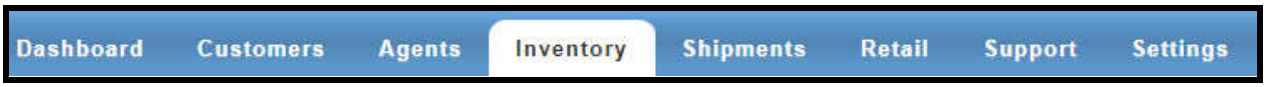

Purchasing Top-Ups

If a customer would like to purchase top-ups, please have the customer contact the customer service department at 866-488-8719 or have the customer go to portal.entouchwireless.com. Sales Support cannot process these requests.

Inventory Management Tab

Inventory Management is accessed from the main toolbar. Inventory statuses as well as the name of the agent the inventory is assigned to & history can be found in Fusion under the Inventory tab. Managing inventory includes multiple activities including the following:

- Unit Browser
- Edit Inventory
- Inventory history

Current Inventory Status and Assignment

Inventory Statuses and Definitions

- **Available** - Unit is available for use
- **Review** - Unit has been removed from an account, typically for a warranty swap and will be reviewed and either made back available for re-use or removed
- **Removed** - Unit has been Removed from inventory due to lost/stolen or returned to the warehouse
    - Can be made available for re-use at the agent/customer's request
- **RMA** - Unit is in transit to warehouse
- **Purged** - disassociates inventory units from customer accounts
- **Reserved** - Unit is reserved to a customer's account but not fully "SOLD" yet due to an error

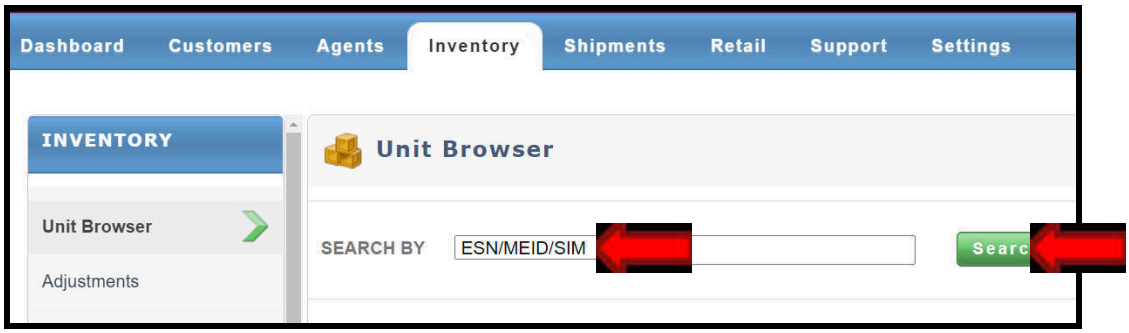

NOTE: The Sales Support team will NOT change inventory to "**REMOVED**" status OR reassign inventory to a different agent ID other than the one requesting it.

To review your current inventory status and assignment, follow the steps below.

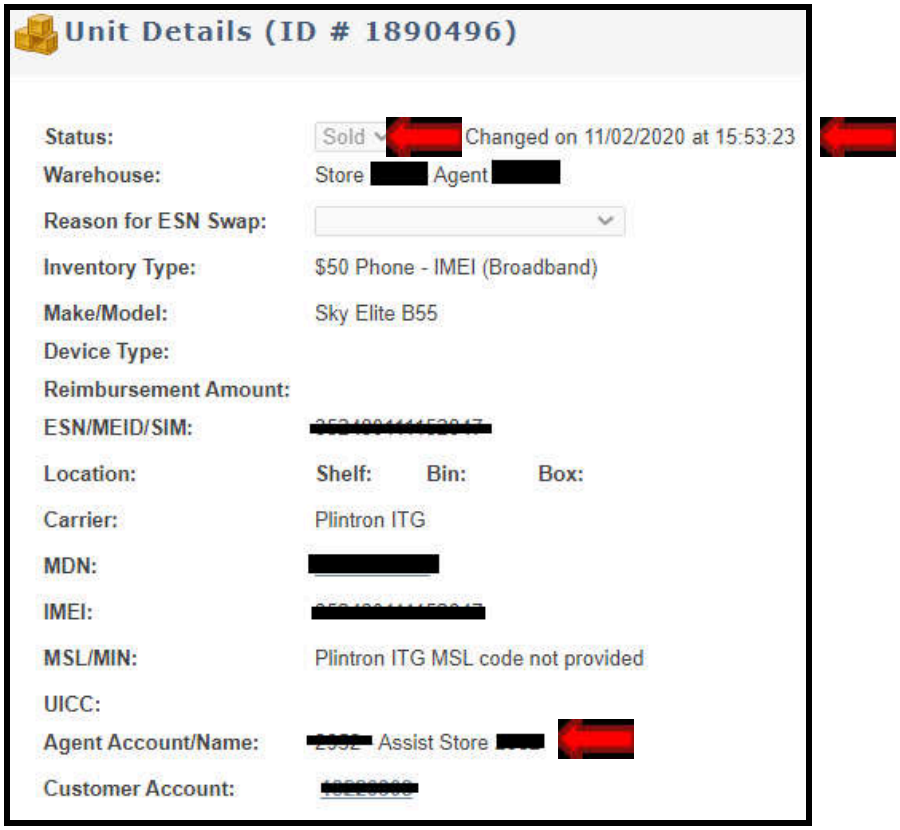

1. Log in to Fusion
2. Select the "Inventory Tab"

3. Enter the ESN/SIM/IMEI

4. A screen will appear showing the current device status, status date and assignment information.

3. A screen will appear showing the current device status and information. Select "View Inventory History" on the top right of the screen.

4. A screen will appear showing the inventory history such as previous assignment, date assignment took place and status changes.

Reassigning Inventory

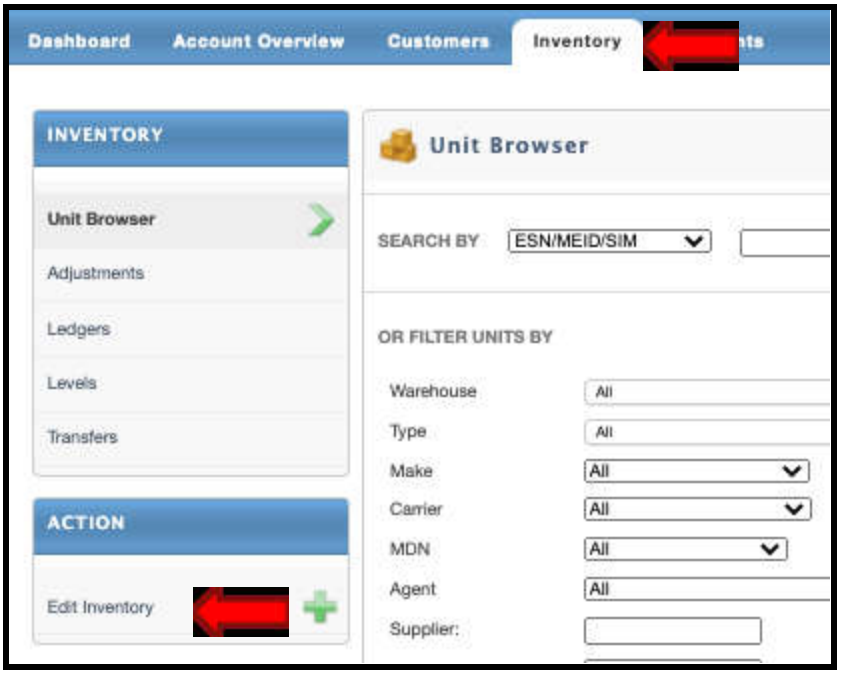

Inventory updates can be processed by the Agent Relations team via call or chat for a list of 5 devices or less. For more than 5 devices, please email inventory@viaoneservices.com with the list of devices needing to be updated, the status and the agent number it should be assigned to.

Inventory reassignments can be processed by Master Agents and managers in Fusion following the process below:

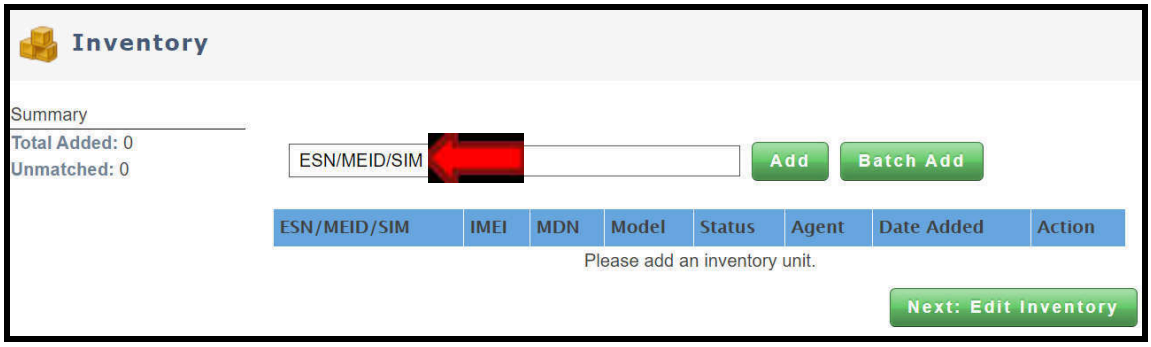

1. Log into Fusion - https://assist.telcoprovider.com/ (Credentials provided by PayGO account manager)

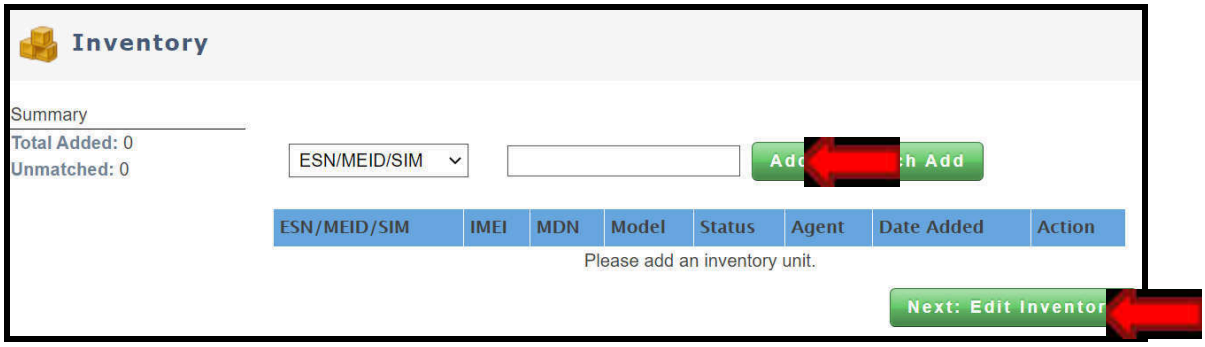

2. Click on the "Inventory Tab" and then click on "Edit Inventory" under the Actions menu

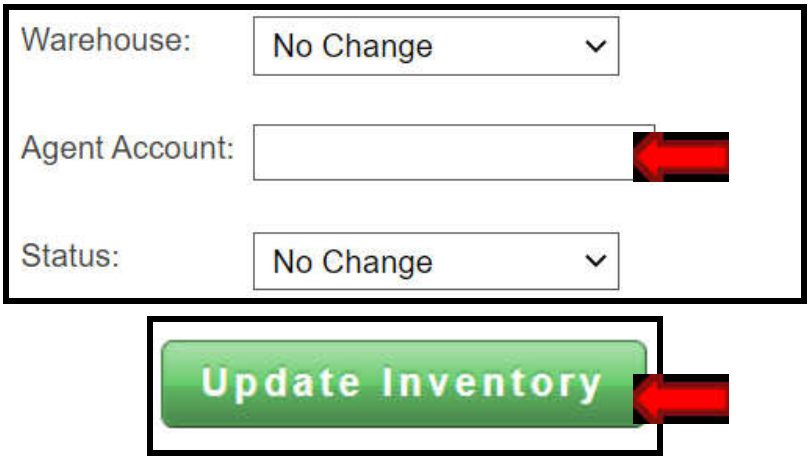

3. From the dropdown menu, select ESN/MEID/SIM if transferring SIM Cards. Select IMEI if transferring GSM devices.

4. Scan the device IDs to be transferred and click [Add]. This will display the device ID, status and agent assignment below. If any are not in Available status, you will have the option to remove that unit. Once all device IDs have been scanned and added, click [Next: Edit Inventory].

5. Enter the Agent account information and click [Update Inventory]
    a. There will be a dropdown with the agent ID and name displayed

Pre-activating Inventory

A pre-activated SIM Card is one that is already activated on the carrier network and a phone number has been assigned. SIM cards can be preactivated upon request by sending them via email to the Agent Relations Team at inventory@viaoneservices.com. Be sure to include the following information to preactivate the inventory as quickly and accurately as possible.

- List of SIMs to be preactivated
- Desired ***area code***

Device Warranty Periods

The warranty period begins the day the device is activated or swapped on the customer's account. To determine if the device is still within warranty, go into the inventory history and see how long the customer has had their most recent device.

- All Devices - 30 Day Warranty from the date of receipt.
- All warranty periods reset when the customer has a new device successfully swapped onto the account.
- A customer who has brought their own device does ***NOT*** qualify for warranty.

Examples of issues covered by warranty:

- Unable to power the device on due to phone software issue

Replacement Phones

If the customer would like to get a replacement device due to the fact that the phone is defective and the phone is under warranty, they can request a pre stamped envelope to send the device back to our warehouse to be repaired or replaced.

- If the customer is requesting a replacement device by mail, the customer must send the following in the prestamped envelope before the replacement device will be shipped to them.
    - Phone
    - Battery
    - Charger
    - Note explaining what is wrong with the device
    - Contact information - phone number and email (the customer must be under Warranty in order to get a free replacement device)
- The replacement device will be sent to the customer as soon as the warehouse receives the device and they have determined that it is defective and covered under warranty.

This information must be sent to the Warehouse within their warranty period or the customer will have to pay for a replacement device:

enTouch Wireless Repair Center
2636 Walnut Hill Ln
Ste. 230
Dallas, TX 75229

- If the customer is no longer covered under warranty, they can purchase a replacement phone for $35 with a CC through the CSR. Once the payment has been processed, the request must be submitted via the Shipment Requests JotForm.
    - If the customer is unable or unwilling to pay for the replacement phone, you can transfer the customer to the Retention Department to see if they qualify for a discount on the replacement device - 888-707-1152

Replacement Parts

All replacement parts (batteries, chargers, SIMs, etc.) must be requested by calling customer service or the Repair Center and are subject to availability.

- Battery Replacement: $5 +tax

System Errors

The following errors are the most common that a sales representative can come across during the enrollment process or during any actions taken on a customer account. Explanations are provided with each error message and if there is a specific error message not listed, please contact Agent Relations and provide the screenshot with the following information, if possible:

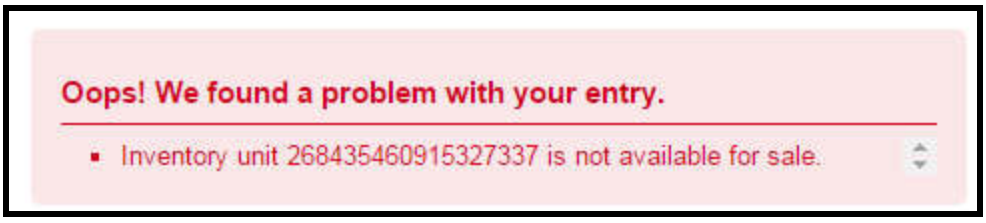

- System the error message was displayed (CGM, Fusion, National Verifier)
- What was being done when the error message appeared (enrolling a customer, swap, submitting payment, etc.)
- Order number, account number, device ID, etc.

Once this information has been submitted, Agent Relations will escalate to the Operations Team to be reviewed, determine the resolution and update this document.

Fusion

“Inventory unit is not available for sale” when attempting to purchase inventory.

This error occurs when the inventory status for the inventory attempting to be sold onto a customer account isn't in “Available” status.

Resolution: Contact Agent Relations to have the inventory set to available. When the inventory has been updated, the purchase should complete successfully.

“Inventory unit is not available for sale in warehouse” when attempting to purchase inventory.

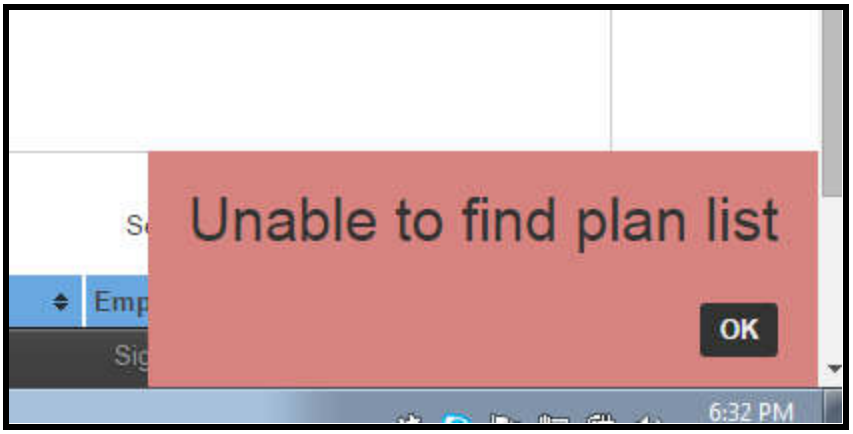

This error occurs when the warehouse for the inventory attempting to be sold onto a customer account isn't set to the correct warehouse for the seller/store.

Resolution: Contact Agent Relations to have the inventory updated to the correct warehouse. When the inventory has been updated the purchase should complete successfully.

Unable to find Plan List

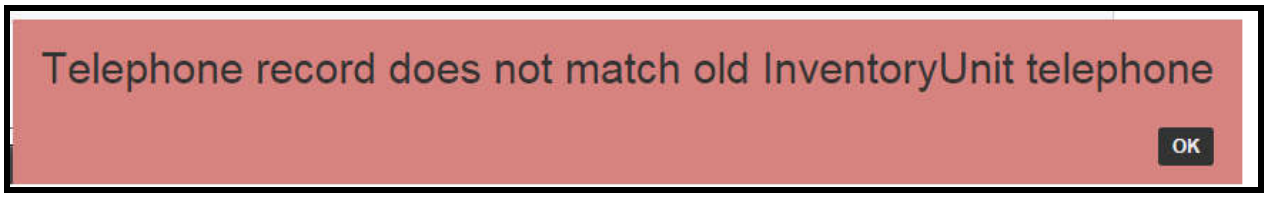

This error usually occurs when creating an account or during a swap and is due to the inventory type being incorrect in Fusion.

Resolution: Contact Agent Relations to report the issue and have the inventory updated in Fusion. Once Agent Relations have updated the inventory, resubmit the order/swap and it should process correctly.

Telephone record does not match old InventoryUnit Telephone

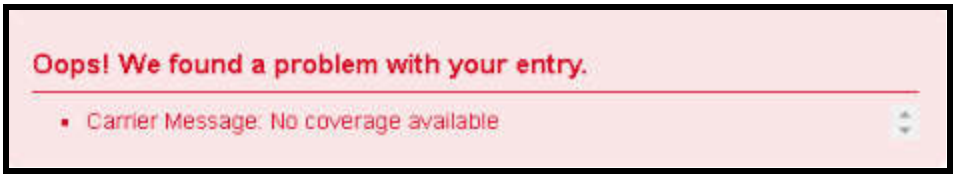

This error usually occurs when attempting to swap an IMEI onto an account when the current IMEI is listed in a status other than “Sold”. Fusion is finding no record of this unit being attached to any account resulting in the error when attempting to swap.

Resolution: Contact Agent Relations and inform them that you are receiving this message. They will need to manually sell out the IMEI currently on the account. Once this is completed, you should be able to swap the new IMEI onto the account successfully.

No coverage Available

This error occurs when a swap or new enrollment is being processed and the customer's address is in an area where there isn't T-Mobile or Sprint coverage.

Resolution: Contact Agent Relations and provide them with the ESN or SIM you are attempting to use and request that they preactivate the inventory with a zip code other than the one on the account. Once they preactivate the device, swap the ESN onto the account.

Carrier Message: Unable to locate telephone by MDN

This message occurs when the phone number is no longer active at the carrier level and cannot be retrieved.

Resolution: Contact Agent Relations and have the ESN or SIM preactivated and swap it onto the account to make the account back active.

CGM

Error Message “THERE IS NO T-MOBILE NGP ASSOCIATED WITH ZIP”

This error is received when T-Mobile does not have any MDN’s available for that specific zip code.

Resolution: Contact Agent Relations to have the order cleared and have the SIM card preactivated with the desired area code. Once both have been completed, customer can be re-entered. **California customers will need to wait up to two business days before being retried**.

Error Message “Prior Lifeline Internal to Client”

This error typically means that a customer was disconnected but the reservations within CGM have not been successfully cleared.

Resolution: Contact Agent Relations with the order number and they will clear out any reservations in CGM.

NLAD Offline

This error appears when NLAD is having a system outage.

Resolution: Contact Agent Relations with the order number to escalate this error message. The operations team will need to get in contact with the NLAD support team to resolve the error.

MDN should not be empty.

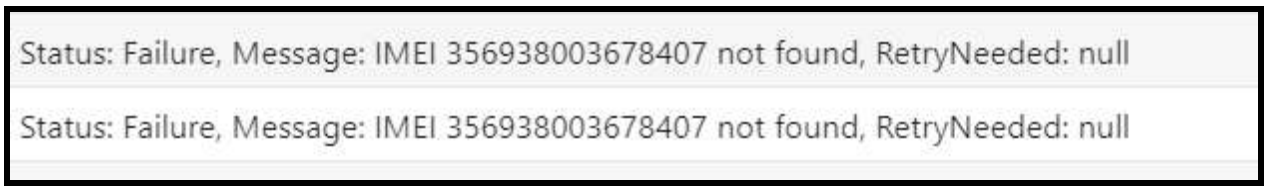

This error appears when the SIM used by the agent was previously provisioned and then disconnected.

Resolution: Contact Agent Relations to have the order canceled and a NEW SIM card will need to be used on the new order.

Device Lookup Not Found

This error typically means that the device you are attempting to use is not assigned to your username

Resolution: First, verify that the inventory is assigned correctly to your agent ID in Fusion. If the inventory is assigned correctly, manually type in the device ID into the correct field on the order. If the message is still appearing, contact Agent Relations with the device ID, order number and error message.

955 - XML Parsing Failed: test:1:52 error: value '################' does not match regular expression facet '\d{19,20}'

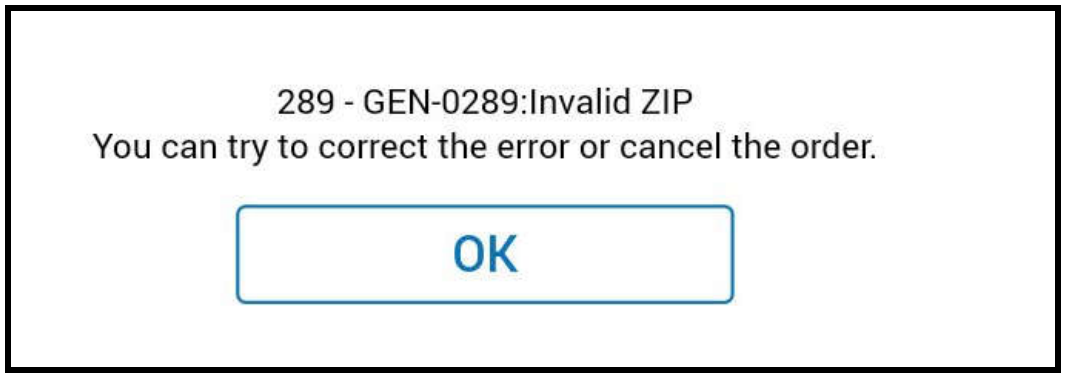

If an agent receives this message, it means that during the order process the agent scanned the IMEI first instead of the SIM card.

Resolution: Contact Agent Relations to have the order cleared out and have the inventory made back available again.

289- GEN-0289: INVALID ZIP

This error is due to phone numbers not being available in the zip code the customer resides in.

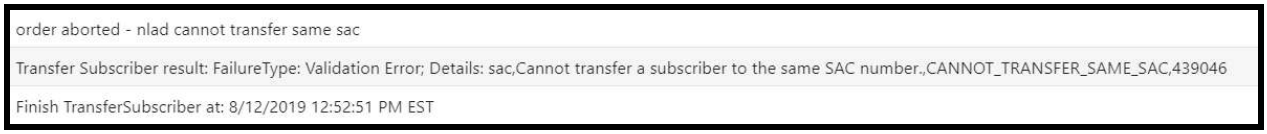

Resolution: Contact Agent Relations to have the order and pending account. The SIM would need to be preactivated with a different zip code than what the customer resides

in. **California customers will need to wait up to two business days before being retried.**

Validation Error; Details: sac,Cannot transfer a subscriber to the same SAC number.,CANNOT_TRANSFER_SAME_SAC,439046

This error is due to the customer having an existing account in Fusion or their old Fusion account was not cleared properly.

Resolution: Pull up the customer's account using the last name and the last four of the SSN. If the account is Prepaid, the agent will need to contact Agent Relations to have any reservations cleared.

Subscriber already exists in NLAD

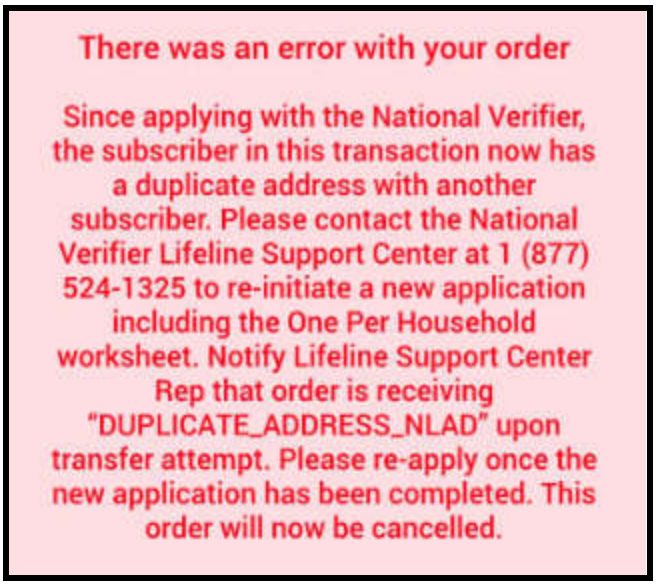

The message is due to the customer's information already existing in NLAD.

Resolution: Search for the customer by their last name and last four of SSN in Fusion. If a lifeline account is found, inform the customer that they already have service. If the account is Prepaid or in Final Bill status, contact Agent Relations so that they can escalate this customer to the Operations Team.

Duplicate Address

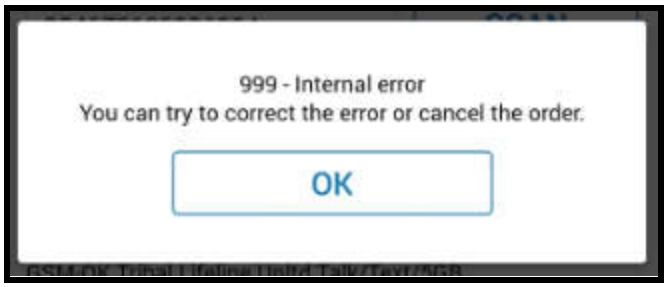

This message appears when there are duplicate transactions with the same address.

Resolution: Contact National Verifier to begin another application and include the One Per Household worksheet.

999 Internal Error

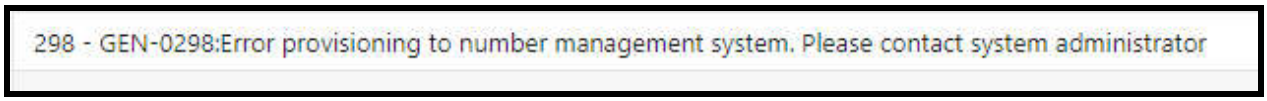

This error typically occurs when the carrier is having an internal error.

Resolution: Contact Agent Relations and they will need to escalate the message to the Operations Team To have it escalated to the carrier. Agent Relations will verify that all orders and pending accounts have been cleared.

298 - GEN-0298:Error provisioning to number management system. Please contact system administrator

This error message typically appears when T-Mobile is having errors provisioning a phone number.

Resolution: Contact Agent Relations and they will need to escalate the message to the Operations Team to have it escalated to the carrier. Agent Relations will verify that all orders and pending accounts have been cleared.

The zip code is outside of our coverage area

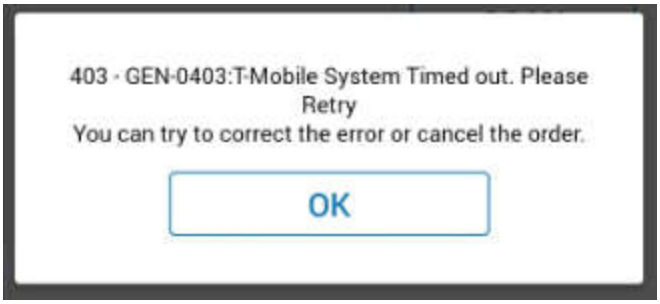

This error message typically appears when the address the customer resides in is not within our coverage area.

Resolution: Verify that the address inputted into the order matches the address the customer provided.

403 - GEN-0403:T-Mobile System Timed out. Please Retry

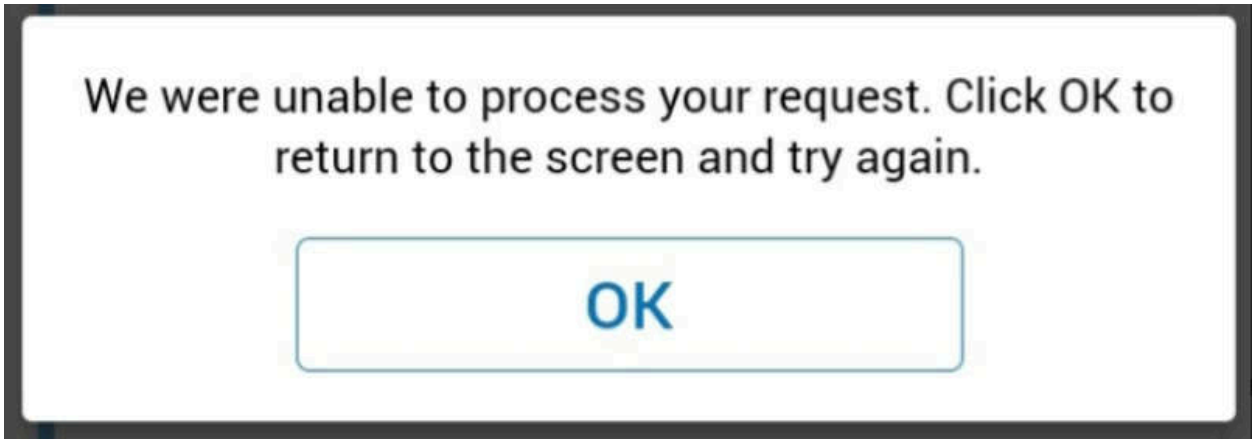

This error means that T-Mobile has unexpectedly timed out.

Resolution: Contact Agent Relations and provide the order number. They will need to escalate the error to the carrier. Agent Relations will verify that all orders and pending accounts are cleared.

We are unable to process your request.

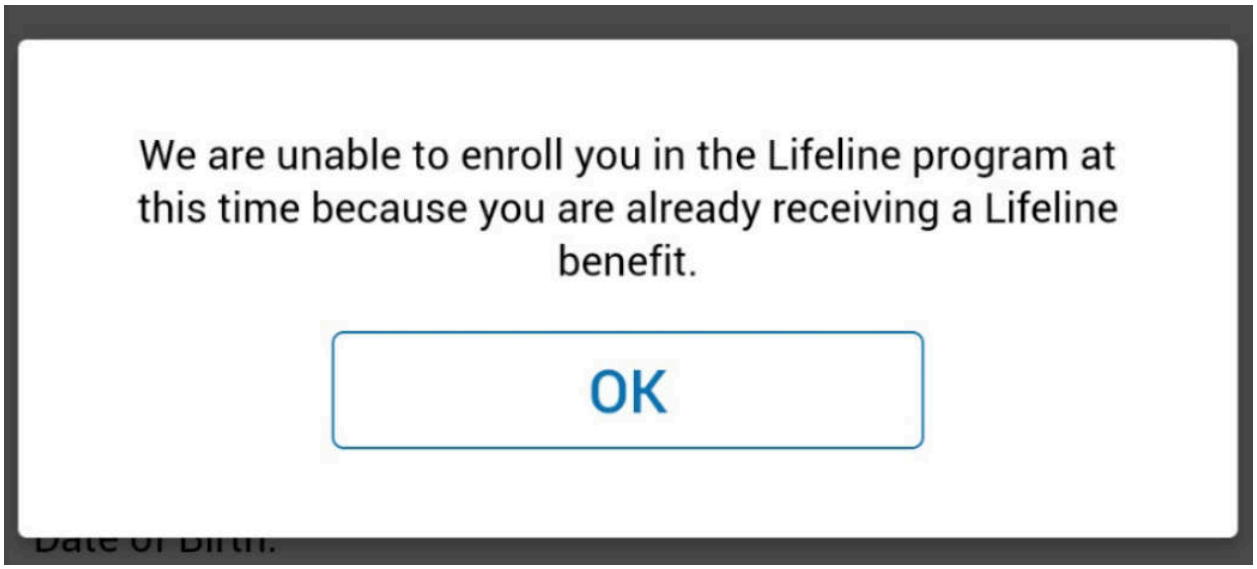

This error means that there was an issue with the order in CGM.

Resolution: Contact Agent Relations and provide the order number. They will be able to see what the issue is and provide more information.

Lifeline Benefit Duplicate

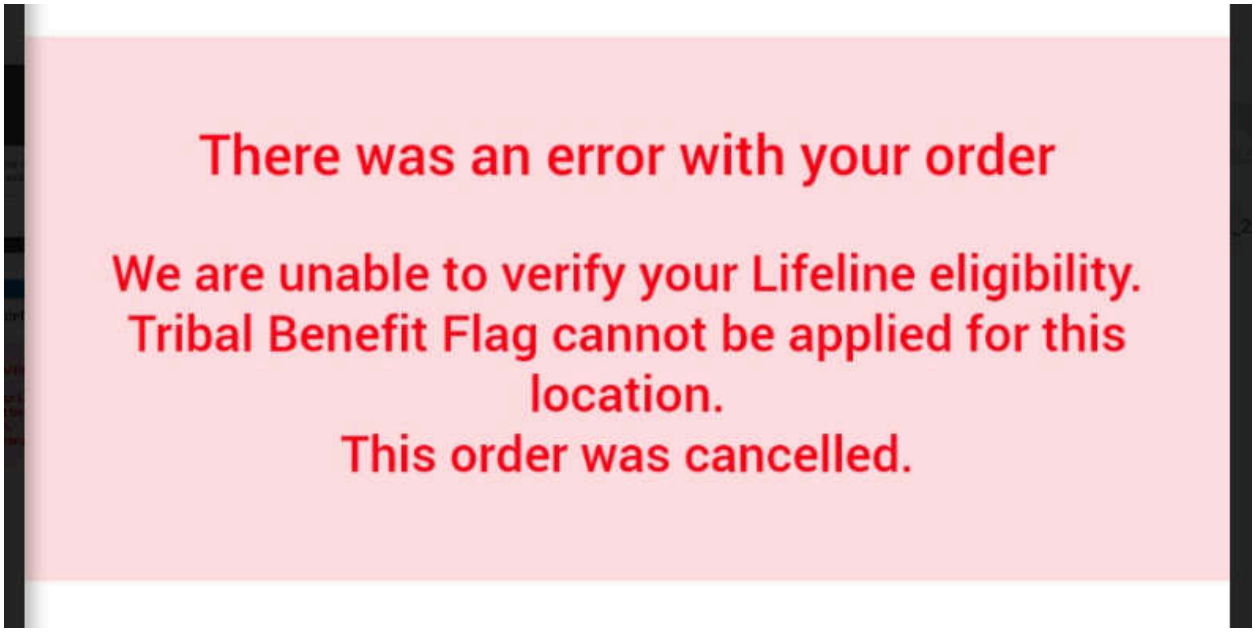

This error appears when the customer already has a Lifeline account with Entouch Wireless.

Resolution: Contact Agent Relations and provide the last name and last four of the SSN and they will provide the active lifeline account number or clear any reservations

Tribal Benefit Flag

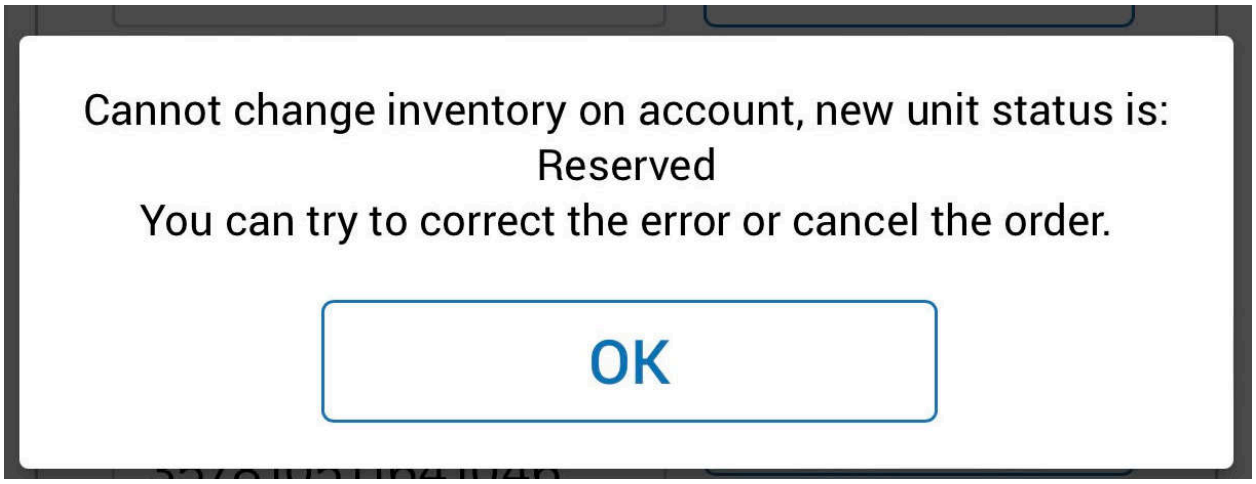

This error appears when CGM has determined that the address is Tribal but National Verifier determines the address is in Non Tribal territory.

Resolution: The representative would need to contact National Verifier and determine why the address is considered Non Tribal.

Reserved Inventory

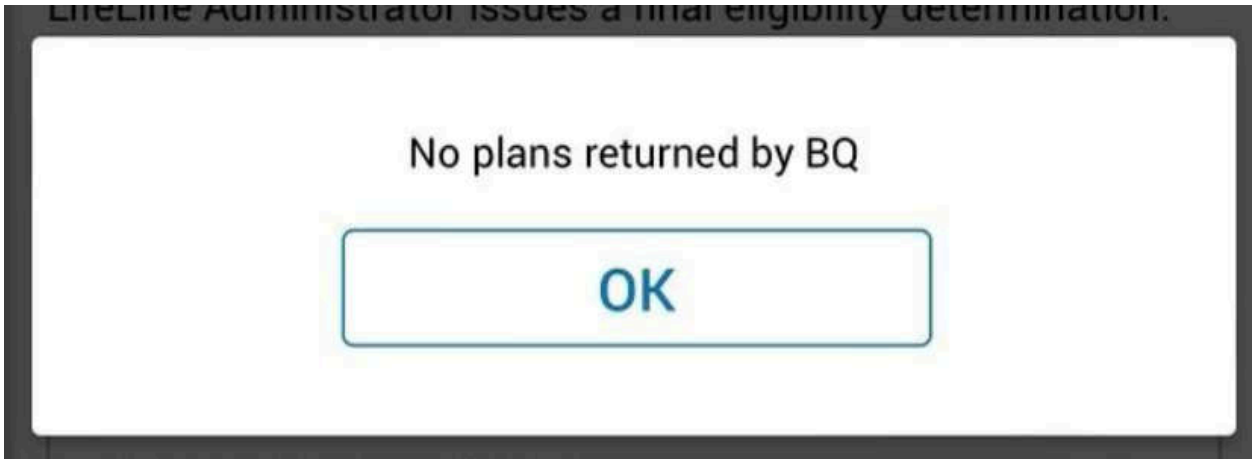

This error appears when the inventory that is being used is in Reserved status in Fusion instead of Available.

Resolution: Contact Agent Relations to have the order cleared and the inventory made back available.

No Plans returned by BQ

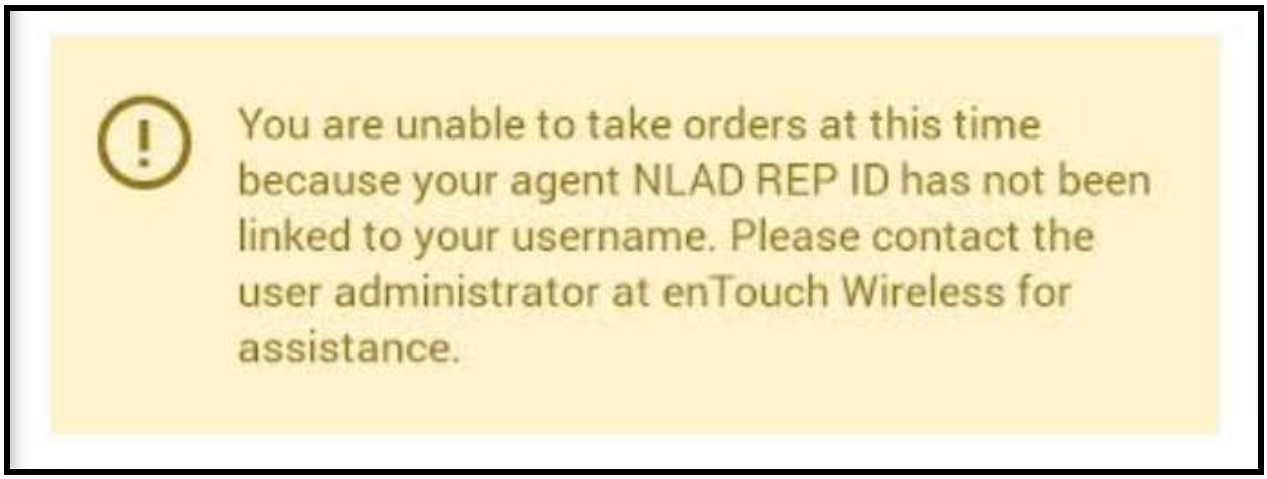

This error means that the inventory being used has the incorrect inventory type or is not associated with the correct plan in Fusion.

Resolution: Contact Agent Relations and provide the order number and inventory and they will need to escalate it to the Operations team to get it corrected.

NLAD REP ID not linked

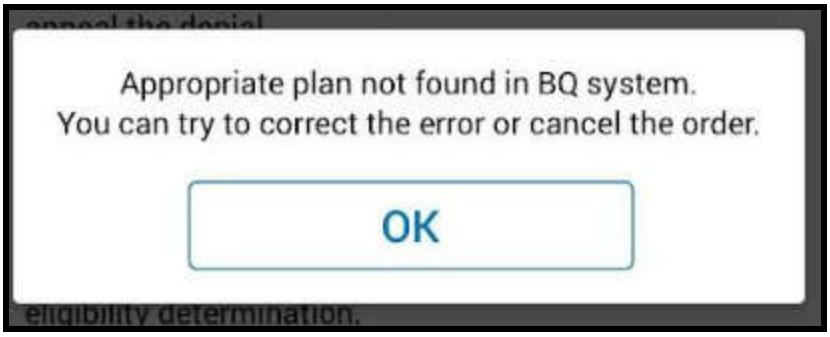

This error appears when the NLAD rep ID has not been linked to sales representatives to their CGM username.

Resolution: The sales representative would need to contact a PayGo account manager and request that their rep ID be linked to their CGM username.

Appropriate plan not found in BQ

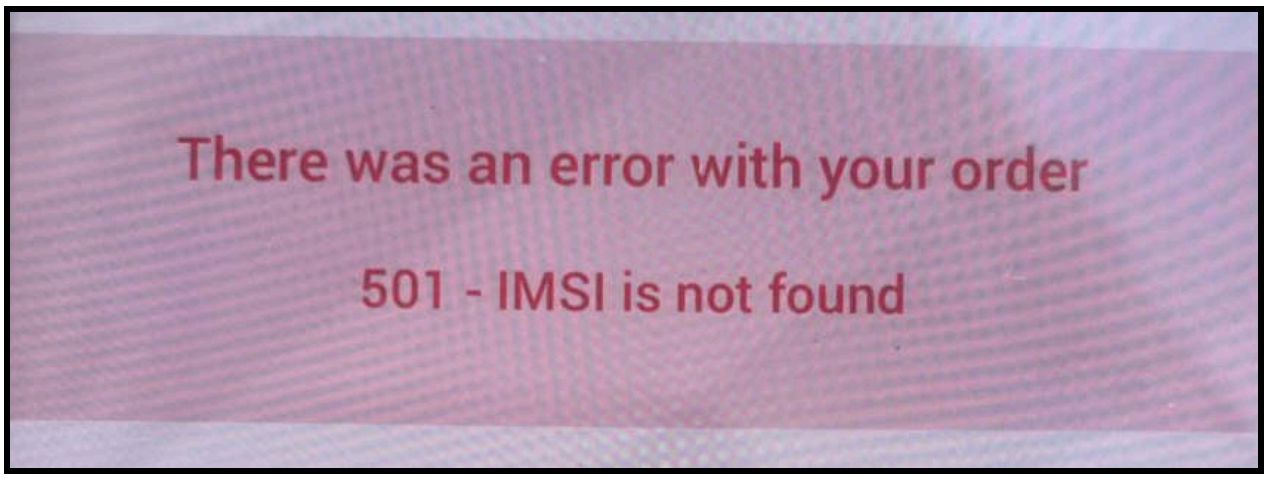

This error appears when the carrier on the SIM and IMEI used on the order does not match. Ex: IMEI is listed as PWG HHV and the SIM is listed as Plintron ITG.

Resolution: Contact Agent Relations and request that the inventory be updated to the correct carrier and request for the order to be cleared out.

501 - IMSI is not found

This error appears when the carrier on the SIM and IMEI used on the order does not match. Ex: SIM is listed as PWG HHV and the IMEI is listed as Plintron ITG.

Accessory/Device Purchases	No

The payment match will be posted within 5 business days. Account credits may only be used towards monthly service invoices or top-up purchases.

Example 1

A new customer chooses to pay their first month's bill at enrollment. They pay a total of $5.

- The Operations department will match this payment with an additional $5 account credit.

Example 2

A customer wants to prepay their account for a year. They make a payment of $50.

- The Operations department will match this payment up to $20.

Example 3

A customer pays for $20 worth of top ups.

- This $20 payment WILL NOT be matched.

Chargebacks

Once the devices leave the warehouse as a shipment, there is a 60 day period that the device(s) must be sold or swapped to an account. If the device(s) are not updated to sold in that time frame, the agent or store representative will be charged back. After the device(s) are charged back, the agent or store has an additional 120 days to sell the device(s) to receive full credit back. Chargebacks happen once a week and device(s) are credited back on the first business Monday of each month.
